

## Marlborough School Aims

At Marlborough School we help pupils to develop:

### **Responsibility**

Self-respect, self-confidence, self-esteem, personal behaviour, an awareness of and sensitivity to others.

### **Readiness**

Well prepared, positive attitudes with high expectations and motivation.

### **Resourcefulness**

Ability to think, question, argue and imagine, seek understanding creatively, flexibly and with ingenuity.

### **Resilience**

Working hard, persisting with tasks, working without fear of failure, working independently and with others, an appreciation of human endeavour.

### **Remembering**

The knowledge skills and practical abilities needed throughout life at work and at play - lifelong learning.

### **Reflection**

Learning to learn and self understanding as well as a feeling for and wonder of life and sensitivity to beauty.

### **Respect**

Personal values and beliefs, appreciation for the religious and moral values of others and care for property.
