Welcome

Starting school is an important step for every child and their family. This booklet aims to provide all of the information you need to complete the application for a place in a reception class. Please do not hesitate to contact the **School Admissions Team** or **Family Information Service** if you have any queries or concerns.

I wish your child every happiness and success as they start school.

Councillor Andrew Wallis
Portfolio Holder for
Young People

About starting school

When do children start school?

If you have a child born between **1 September 2012 and 31 August 2013**, they will be eligible for a full-time place in a reception class from September 2017. This is a national offer for all children who have a birthday within these dates. Compulsory school age starts at the beginning of the term after a child has their fifth birthday.

Does my child have to start school full-time?

Places in reception will be allocated as full-time from September 2017. However, if you wish to ask for part-time admission until your child reaches compulsory school age you must do so as soon as possible after receiving your notification of a place and before the end of the summer term 2017 by contacting the school. Please note that if you wish to combine a part-time school place with any other provider, your child's free entitlement will be used to pay for the school provision. There may therefore be an additional charge from the provider of any other care should the total equate to more than 15 hours per week.

What if I want my child to start school earlier than outlined above?

Children below compulsory school age or below the age for consideration for a reception class place are entitled to free funded places for nursery education for up to 15 hours per week. This provision is quality assured and Ofsted inspected and would be expected to meet the individual needs for children including those who could be 'gifted and talented' or who have Special Educational Needs. Therefore these children would not be expected to start school early.

What if I want my child to start school later than outlined above?

You are entitled to defer your child's entry to school as detailed in the table on the next page. You can also request that your child starts in the reception class a year later than normal – this decision is made on a case-by-case basis. For more information visit the 'Deferring or delaying admission to school and educating pupils out of their chronological year group' page at www.cornwall.gov.uk/admissions or contact the School Admissions Team.

About starting school – information table

Child born	Compulsory school age
Between 1 September and 31 December 2012	Compulsory school age from January 2018 You can defer the school place until January 2018 – the school place will be held for you once you let the school know.
Between 1 January and 31 March 2013	Compulsory school age from April 2018 You can defer the school place until April 2018 – the school place will be held for you once you let the school know.
Between 1 April and 31 August 2013	Compulsory school age from September 2018 You can defer the school place until April 2018 – the school place will be held for you once you let the school know. You can also legally defer the school place until September 2018 BUT the offer of a school place will be withdrawn and you will need to reapply for a place in year one. This will be treated as a new application and you need to make this in the summer term 2018 and there is no guarantee that a place will be available at your preferred school. Please note that if you decide to request a place in a reception class rather than year one in September 2018, having deferred the place for a year, this would be called delayed admission and needs to be agreed by the admission authority, usually in consultation with the Local Authority and other professionals. For more information visit the 'Deferring or delaying admission to school and educating pupils out of their chronological year group' page at www.cornwall.gov.uk/admissions or contact the School Admissions Team.

Applying for a school place

Responsibility for admissions

Cornwall Council co-ordinates applications for all schools in Cornwall using a process set out in the 'Co-ordinated Admissions Scheme' which is summarised in this booklet. The Scheme can be found at www.cornwall.gov.uk/admissions. Cornwall Council and schools must follow the School Admissions Code 2014. Each school has an 'admission authority' which sets the arrangements including the priority order they will use if there are more applications than places available – the 'oversubscription criteria'. Cornwall Council is the admission authority for community and voluntary-controlled schools. For foundation, trust and voluntary-aided schools the admission authority is the school's governing body and for academies it is the academy trust.

Identifying your preferred schools

Before you make your decision regarding the schools you would prefer for your child, you may wish to visit several schools in order to find out more about them. You should contact the schools direct to arrange this. You could also have a look at the schools' websites or ask for a copy of their prospectus.

Listing more than one preference

The application form allows you to list up to three schools in order of preference. All of your preferences will be considered equally against each school's oversubscription criteria and if we are able to offer a place at more than one of your preferred schools we will offer a place at the one you have ranked highest.

Naming a second or third preference does not give you any less chance of getting a place at your first preference school.

If we are not able to allocate a place at your preferred school we will allocate a place at the nearest school with a place available – listing a second and third preference means that you are more likely to secure a place at a preferred school rather than a school that you have not considered. It is strongly recommended that at least one of your preferences should be your **nearest or designated school** – you will not automatically be allocated this school should we be unable to allocate a place at one of your preferred schools. When making your decision, you should consider how you will get your child to school – see the 'Home to School Transport' section later in this booklet.

Designated areas

Cornwall Council has divided the County into geographical areas called 'designated areas' (sometimes called 'catchment areas') which are each served by a specific school or schools. Designated areas assist the Council in ensuring there are enough school places and are also used to determine entitlement to school transport. **Please note that the designated school for an address may not always be the one nearest to that address.**

Please be aware that not all schools include 'living in the designated area' as a priority in their oversubscription criteria (the criteria that will be used to decide who should be allocated places when there are more applications than places available).

However, entitlement to transport to all schools is determined by Cornwall Council with regard to whether the school is in the designated area for a child's home address or is their nearest school.

If you want to identify the designated school or schools for your address, access www.cornwall.gov.uk/admissions or contact the School Admissions Team.

Applying for a school outside Cornwall

If you live in Cornwall you need to apply to Cornwall Council for your preferred schools even if one (or more) is not in Cornwall. Cornwall Council will ensure your application is forwarded to the appropriate local authority. You should also contact the schools for details of any additional information that they may require from you to determine your child's priority for admission, to be returned direct to them.

Living outside Cornwall

If you live outside Cornwall but you wish to apply for a school in Cornwall as one of your preferences you should apply to your home local authority. They will ensure we receive a copy of your application. If you live overseas but are planning to move to Cornwall by September 2017 you can apply direct to Cornwall Council.

Children already attending an early years setting or nursery at a preferred school

If your child is already attending an early years setting or nursery at your preferred school/s you must still complete an application as there is no guarantee of a place.

Service Families (UK Armed Forces)

Cornwall Council acknowledges that Service Families may be disadvantaged when applying for a school place as they are more likely to need to apply outside the normal admissions round when schools may already be full or be unable to provide a specific address ahead of a posting in good time for the relevant admissions processes. There are certain legislative provisions for the admission of children of Service Families and processes within the Local Authority which seek to address the disadvantage that might be experienced by Service Families. These are described in the Local Authority's Service Families Protocol (available at www.cornwall.gov.uk/admissions or from the School Admissions Team) along with signposting to sources of support and further information.

Applications will be processed and places allocated **based on the proposed address** (with supporting evidence) **or**, if you are not able to confirm a proposed address and a unit or quartering address is provided, an allocation will be made based on the **unit or quartering address**. This is to ensure that your child is not left without a school place, although it is accepted that you may want/need to change your preference

when a new address is confirmed in order to try to secure a school closer to that address. The School Admissions Team will then offer support and guidance, advising on available places and likely timescales.

Special Educational Needs

If your child has an Education, Health and Care Plan (EHC Plan) or a Statement of Special Educational Needs (SEN), you **do not** need to complete an application form as a school place will be identified through a separate process. See the section 'Special Educational Needs' for more information.

Home address

Each child can have one registered address only for the purposes of determining priority for admission and transport entitlement. This address should be the place where the child is normally resident at the point of application or evidence of the address from which a child will attend school, in the form of written confirmation of a house purchase or a formal tenancy agreement. Exceptional circumstances in relation to the provision of a home address will be considered on a case-by-case basis. If there is shared residence of the child or a query is raised regarding the validity of an address, the Local Authority will consider the home address to be with the parent with primary day to day care and control of the child. Residency of a child may also be clarified through a child arrangement order where it is shown who has care of the child. Evidence may be requested to show the address to which any Child Benefit is paid and at which the child is registered with a doctor's surgery.

It is expected that parents will submit only one application for each child - any disputes in relation to the child's home address should be settled before applying, the admission authority will not become involved in any parental disputes, if agreement cannot be obtained before an application is made then parents/carers may need to settle the matter through the courts. Where no agreement is reached or order obtained the admission authority will determine the home address. Please note the additional information under '**Fraudulent applications**' and the '**Data Protection Statement**' within this booklet in relation to providing a home address.

Shared parental responsibility – duplicate and disputed applications

Only one application can be processed for each child and only one offer of a school place made. Disputes on the preferred schools by those with parental responsibility should be settled between the parties, neither the Local Authority nor the admission authority will become involved in any parental disputes. If a person with parental responsibility submits an application that is disputed by another person with parental responsibility or if more than one person with parental responsibility submits an application with different preferences then those applicants may need to settle the matter through the courts. Where no agreement is reached or court order obtained in time for the Local Authority to carry out its duties in accordance with the published timescales, the Local Authority will decide which application to process and will make only one offer of a school place.

Fraudulent applications

Please note that if you make a false statement or omit any relevant and appropriate information in your application you could be subject to investigation and may potentially face criminal proceedings. The information you supply in the application may be shared, as the law allows, for the purpose of preventing and detecting fraud. The offer of a school place may be withdrawn if the application is found to be fraudulent.

You must notify the Council immediately of any change in your circumstances – failure to do so or providing false or misleading information may lead to prosecution action being taken against you.

As part of the process of ensuring that school places are allocated fairly, Cornwall Council undertakes address checks on a random sample of applications each year to ensure that information submitted by parents/carers is correct. If you are randomly selected you will receive a letter requesting evidence of your current address.

Cornwall Council may also request evidence where it is alerted to potential false statements. In either of these circumstances, any concerns about the validity of the information provided may lead to investigation and applicants could face criminal proceedings in addition to the withdrawal of the offer of a school place.

When you are ready to apply

Before 15 January 2017 access www.cornwall.gov.uk/admissions and complete your online application.

Providing supporting information

If you believe that you should be given priority based on a particular oversubscription criterion in the school's admission arrangements please provide as much relevant information as possible with your application. Places can only be allocated using the written information that you give us. If you wish to send any supporting information after you have submitted your application it must be received by the School Admissions Team by 8 February 2017. After this date the allocation process will begin and it cannot be guaranteed that the supporting information you provide will be taken into account. **Please note that it is your responsibility to send any information that is provided outside the online application system to us securely.**

If one (or more) of your preferred schools is a school with a religious designation, you may also need to complete an extra form or provide additional evidence to help them determine your priority for a place under their oversubscription criteria. You should ask the school or School Admissions Team whether this is the case and provide the required information direct to the school.

Late applications

Applications submitted after the deadline 15 January 2017 will not be processed until after all those submitted by the deadline.

In exceptional circumstances, for example due to medical reasons, a recent move into the area or a family returning from abroad, an application may be accepted for consideration with those received by the deadline (15 January 2017) if it is received by 8 February 2017, after which the allocation process will begin. If you think this applies to your late application, please ensure that you attach a covering letter to your form explaining why your application is late.

Application acknowledgement

The online application system will generate an automated email response to let you know your application has been submitted successfully.

Change of mind before the application deadline

When applying online you can change your preference(s) right up to the deadline of 15 January 2017. However, please remember that if you edit your application, it is essential that you resubmit it – failure to do so will result in a non-application.

How places will be allocated

Allocation of applications submitted on time

If your application was submitted by the deadline 15 January 2017 it will be considered at the same time as all other applications received by the deadline. No priority is given on the basis of the order that applications were received before the deadline. All applicants will be listed in priority order for admission to each school, regardless of whether the school is named as a first, second or third preference. So if you name three preferences, your child will appear on three lists. We will offer places up to the Published Admission Number (PAN) for each school i.e. the maximum number of children that a school will admit to the year group. If your child qualifies for a place at more than one of the schools you have expressed a preference for a place will be offered at the one you have ranked as your highest preference on your application form. Only one offer of a school place will be made for each child.

Late applications

After the allocation of places for on-time applications, known as 'round one', i.e. those received by 15 January 2017, there will be a further deadline for late applications of **28 April 2017**. Late applications received between 15 January 2017 and 28 April 2017 ('round two') but not considered to be exceptional will be dealt with together and parents will be notified by 29 May 2017. Round two late applications for oversubscribed schools will be added to waiting lists after 28 April 2017, together with the names of children who have already been refused places at the school whose parents have indicated that they want their children's names to be added to the waiting list for that school.

Applications received after **28 April 2017 until 31 August 2017** will be dealt with on a daily basis but only after the round two allocations have been made. The deadline for these applications will be midnight each day. Applications received after 28 April 2017 for oversubscribed schools will only be added to waiting lists if requested by parents after they have received their refusal.

If a place becomes available at an oversubscribed school it will be allocated to the child at the top of the waiting list (which will list children in the priority order of the school's oversubscription criteria) regardless of whether the application for that child had been late or on-time. However, children with an Education, Health and Care Plan or Statement of Special Educational Needs and children in care or children that were previously in care will take precedence over those on the waiting list.

Priority order

Where there are more applications than there are places available, the school's oversubscription criteria will be used to determine the priority order for places. The oversubscription criteria are summarised in the 'School details' section later in this booklet or can be found in full at www.cornwall.gov.uk/admissions or on the individual school's website.

After you have submitted your application

National Offer Day – 18 April 2017

If you submit an application by 15 January 2017 you will be sent a letter in the post on **18 April 2017** telling you which school you have been allocated. If you opted through the online application system to also be notified by email, you will receive this on 18 April 2017.

Notification of school place allocation

You do not need to do anything when you get your notification unless you have changed your mind or your circumstances have changed, in which case you should contact the School Admissions Team for advice. The letter offering a school place will ask you to confirm in writing if the place is no longer required. If you do not respond it will be assumed that the place is accepted. If your child fails to arrive at the allocated school at the beginning of the school year 2017, the procedure described in the Co-ordinated Scheme 2017 will be followed.

The letter will tell you whether you have been allocated a place at your second or third preference schools. If you did not name any other preferences or your other preferred schools are also full, your child will be offered a place at the nearest school with room.

If you are not allocated a place at your preferred school you will have the right to appeal to an independent panel - the letter will tell you how to do this. You will have 20 school days after you receive your notification to appeal the decision. Appeals must then be heard within 40 school days of this deadline.

Appeal timetable

By 17 May 2017:	Parents to submit appeals or requests for their children to be added to waiting lists (on-time applications)
June 2017:	Appeals will take place (mainly for on-time refusals)
July 2017:	Appeals will take place (mainly for round two refusals)
July/August 2017:	Appeals will take place (mainly for refusals after round two)

Applying/appealing again

A further application within the same academic year will only be accepted if the admission authority decides that there has been a significant and material change in your circumstances or that of your child or the school. You can only appeal again for a place in the same school within the same academic year if the admission authority has accepted a further application but has refused the place again.

Waiting lists

Cornwall Council or individual admission authorities will maintain waiting lists for at least the first term of the academic year of normal point of entry admission (the reception class intake). The waiting list will be based on the school's oversubscription criteria and a child's place on a waiting list is subject to change according to additional information received about applications or children being added to the list – so their place on the list might move up or down. **No priority is given to the length of time that a child has been on the list.** Children with an Education, Health and Care Plan or Statement of Special Educational Needs and children in care or children that were previously in care will take precedence over those on the waiting list. Children admitted under the Fair Access Protocol will also be given priority over children on the waiting list.

Change of mind

If you have been allocated a place at a school but then change your mind and wish to express a preference for a different school, please put your request in writing to the School Admissions Team. Please note that you would have to give up the allocated place and your changed preference(s) would be processed as a late application.

Change of address before a place has been allocated

If you change address before the offer date of 18 April 2017, you should tell the School Admissions Team in writing. A change of address may affect your child's priority for a place at a school or your entitlement to transport. Address changes should be notified as soon as possible and all such notifications received by 8 February 2017 (after which the allocation process begins) will be taken into account when considering your child's priority for a place at a school. You must provide evidence of the change of address to the School Admissions Team. If you fail to notify Cornwall Council of your change of address and you are allocated a place at an oversubscribed school on the basis of your previous address Cornwall Council reserves the right to withdraw that allocation.

Change of address after a place has been allocated

If you change address after the offer date of 18 April 2017 you should tell the School Admissions Team in writing. A change of address may affect your entitlement to transport. However, as long as your move takes place after the allocation date an allocated place would not be withdrawn if you wish to retain it.

Home to school transport

The responsibility for a child's attendance at school rests with parents/carers. This includes making the necessary arrangements for travel to school, including accompanying your child (or arranging suitable supervision) to and from school as necessary.

Cornwall Council provides transport free of charge to school in line with its duties under Section 508 and 509 of the Education Act 1996 and Schedule 35B inserted by the Education and Inspections Act 2006.

Please note that eligibility for transport to school is assessed separately from admission to school and allocation of a school place should not be taken as an indication that transport will be provided.

The designated areas used to determine eligibility for transport to school are those defined by Cornwall Council and may occasionally differ from the designated areas used (if any) in an individual school's admission arrangements. To find out the designated school or schools for your address access www.cornwall.gov.uk/admissions or contact the School Admissions Team.

If you are in any doubt as to whether your child would be eligible for home to school transport, please contact the School Admissions Team to confirm before submitting your application.

Will my child be eligible for transport free of charge to school?

Please note that changes to the Home to School Transport Policy for primary aged children came into effect from September 2016. Please read this section carefully as your child's entitlement to transport free of charge may have changed.

From September 2016, transport will be generally limited to those children attending their nearest primary school (or the designated school for your address if it is not the nearest) and living:

- more than two miles away for children in reception, year 1, year 2, and year 3;
- more than three miles away for children aged eight and above in year 4, year 5 and year 6;
- more than two miles away for children aged eight and above in year 4, year 5 and year 6 from families on a low income, defined as being eligible for free school meals or claiming the maximum level of Working Tax Credit.

Distances for transport purposes are measured using the shortest available walking route as determined by Cornwall Council.

However, transport may also be provided in some other circumstances, such as when a child's Special Educational Needs or disability requires it, the nature of the route is

deemed by the Local Authority to be unsuitable for pedestrian use, or if there are exceptional circumstances.

See the full Home to School Transport Policy at www.cornwall.gov.uk/schooltransport.

To enquire whether your child will be eligible for transport free of charge to school, please contact the School Admissions Team.

What if my preferred school is not the nearest or designated school?

If you are allocated a place at your preferred school and that school is not the nearest or designated school for your address, you will be responsible for transport to that school.

What if I apply for a place for my child at his or her nearest or designated school but he or she is offered a place elsewhere?

If you apply for a place for your child at your nearest (or designated) school but are not allocated a place because the school is full, you will be allocated a place at the school you named as your next preference, or at the nearest school with room if none of your preferences are available.

If the school at which your child is allocated a place is the nearest school to you with room, your child will be eligible for transport to school in accordance with the distance criteria listed on the previous page.

Sustainable travel to school

When you are thinking about the schools you would like your child to attend, it is important you consider the following:

Cornwall Council is fully committed to promoting walking, cycling, public transport (if available) and car sharing for the school journey. We would like as many children to walk or cycle to school as possible instead of being driven by their parents/carers.

Evidence shows that school travel plans can have benefits ranging from increased road safety to healthier, more alert and engaged pupils, to increasing independent travel and associated life skills for pupils with Special Educational Needs. Enabling the increased use of sustainable modes of travel such as walking, cycling and the use of public transport has environmental benefits in reducing levels of noise, congestion and poor air quality - the latter being a particular risk for children.

Special Educational Needs

Children and young people with Special Educational Needs (SEN) have learning difficulties or disabilities that make it harder for them to learn than most children and young people of the same age. These children and young people may need additional or different help.

Many children and young people will have SEN of some kind at some time during their education. Early years settings (for example, nurseries or childminders), mainstream schools, colleges and other providers can help most children and young people succeed with adaptations to their practice and some additional support. But there are a small number of children and young people who will need extra help for most of their time in education and training.

If a school or setting thinks that your child may have SEN they will discuss your child's needs with you, tell you what they will be doing to support them and how you can help. Children and young people identified as having SEN are described as being at 'School Support'.

If you are concerned about your child's needs or progress you should speak to their class teacher first. They may then share your concerns with the school's Special Educational Needs Co-ordinator (SENCO). Every school has to have a SENCO. They will also be available to discuss your child's needs and the arrangements to support them.

A very small proportion of children and young people need a more intensive level of specialist help that cannot be met from the resources available to schools and other settings. In these circumstances, you or your child's school or other setting could consider asking Cornwall Council for an Education, Health and Care (EHC) needs assessment for your child. This assessment could lead to your child getting an EHC Plan. Some children and young people will have needs that clearly require an EHC needs assessment and plan and when Cornwall Council is aware of them it will start without delay.

Wherever possible, Cornwall Council aims to provide for children with SEN in mainstream schools. This includes most children with EHC Plans. However, for children with the highest level of need Cornwall Council has four Special Schools and some Area Resource Bases (ARBs) attached to mainstream schools. To attend a Special School or ARB a child or young person must have an EHC Plan. All admissions to Special Schools and ARBs are decided by Cornwall Council. Placement at a Special School outside Cornwall is possible in exceptional cases where no appropriate provision is available in Cornwall. Education is also provided for children in hospital and for those who cannot attend a school or educational setting for medical reasons.

If your child has an EHC Plan or Statement of SEN you are not required to make an application through the online admissions scheme. School admissions for children with an EHC Plan or Statement of SEN will be handled by the SEN Assessment and Provision Team, outside the Co-ordinated Admissions Scheme. Any application for these children will be processed in accordance with the SEN Code of Practice and associated regulations. See contact details on the next page.

Sources of information and support

SEN Assessment and Provision Team, Cornwall Council

Tel: 01872 324242

Email: specialeducation@cornwall.gov.uk

SENDIASS

The Special Educational Needs and Disability Information, Advice and Support Service (known as SENDIASS) is an independent service for the parents of children with SEN. It can be contacted by telephone or via the SENDIASS website.

www.cornwallsendiass.org.uk

Tel: 01736 751921

The Local Offer

The Local Offer aims to help families of children and young people with SEN by gathering useful information, in one place, so they can make informed choices about support. Cornwall's Local Offer describes the provision and guidance available for children and young people with SEN, aged 0 to 25, with or without an EHC Plan.

Visit www.cornwallfisdirectory.org.uk for more information.

SEN Information Report

Every school has to prepare an SEN Information Report. This will be on each school's website. The report needs to include things such as the types of SEN support the school provides and arrangements for consulting families and involving them in their child's education.

Department for Education Guidance

The Department for Education has provided a summary guide for families 'Special educational needs and disability Guide for parents and carers August 2014':

www.gov.uk/government/uploads/system/uploads/attachment_data/file/417435/Special_educational_needs_and_disabilities_guide_for_parents_and_carers.pdf

School meals/free school meals

Universal Infant Free School Meals (UIFSM): All children who are in reception, year 1 or year 2 in a state-funded school are offered a free healthy school lunch. Children in other school years will also be offered a free school lunch if their parent is receiving any of the welfare benefits listed below.

Pupil Premium: registering could raise money for your child's school

Registering for free school meals, even if your child is entitled to the UIFSM, could raise an extra £1,300 for your child's school to fund valuable support like extra tuition, additional teaching staff or after school activities. This additional money is available from central government for every child whose parent is receiving one of the welfare benefits listed below. It is therefore important to sign up even if your child is in reception, year 1 or year 2, so that the school receives the maximum funding.

Your child may be eligible for free school meals if you are in receipt of any of the following benefits:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- The guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit

Please note that Working Tax Credit claimants are NOT eligible for Free School Meals, regardless of what other credit/benefits are being claimed.

You become temporarily eligible to claim free school meals if you receive a Working Tax Credit run-on. This is the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit. In order to qualify for free school meals after the four week period expires, you will need to be in receipt of one of the other qualifying benefits listed above.

For more information and to register:

- visit www.cornwall.gov.uk/schoolmeals
- email schoolmeals@cornwall.gov.uk
- call 01872 323298

For all other pupils, meals are available to purchase at all schools in Cornwall (unless entitled to free school meals as detailed above). It is the parent/carer's responsibility to ensure that their child is provided with money to purchase these meals. Details of the meal prices should be available from individual schools. Facilities are also available at schools for pupils who wish to bring packed lunches.

Changing schools

If you need to change schools during the school year, you can apply to Cornwall Council using the 'Changing Schools In-Year Application Form' available on the website www.cornwall.gov.uk/admissions or contact the School Admissions Team.

Fair Access Protocol

All local authorities are required to have a Fair Access Protocol which applies to all schools in their area. This document sets out how Cornwall Council and schools will ensure that a school place can be found quickly for children who have not been able to secure one during the school year, outside the normal admissions round, particularly those children that are considered to be vulnerable. This includes children that are considered to have challenging behaviour where the Local Authority must ensure that no school is expected to take a disproportionate number of those children. To find out more about the Protocol, please access www.cornwall.gov.uk/admissions or contact the School Admissions Team.

School information

School results

If you would like to know about results and reports for your preferred schools or compare schools you can either have a look at the Ofsted website www.ofsted.gov.uk which will have the school's last inspection report, have a look at the school's website for results or contact the school direct.

Home School Agreements

Home School Agreements set out what is expected of and for children and families at a school. **You should not be asked to sign an agreement before a place is offered or as a condition for being allocated a place.**

School uniform

A school's governing body are responsible for the school's policy on school uniform. For more information, contact the school. Cornwall Council does not provide a uniform grant.

School details

The following table has basic information about each of the primary schools in Cornwall. For further information please contact the school direct or visit their website. Explanations for each of the headings in the table are as follows:

School and contact details

The school's name, address, telephone number and website. Enquiries should be directed to the headteacher in the first instance.

School type and age range

This column refers to the school's type and age range. Please note that some schools may change their type in the school year starting in September 2016, after publication of this booklet. However, the oversubscription criteria will remain the same for 2017/18. Definitions of school types can be found in the Glossary at the end of this booklet.

2016 on-time applications: PAN and 1st/2nd/3rd preferences

This column lists the school's published admission number (PAN) for 2016/17 i.e. the maximum number of pupils that a school will admit to the year group and the number of first, second and third preference **on-time** applications received for September 2016, followed by the number of on-time applications allocated to places. It is recommended that you contact the schools you are interested in to find out the accurate details of current numbers on roll as the preferences stated only reflect the on-time applications and not the final numbers that have started at the school which may be different.

PAN 2017

This column shows the school's published admission number (PAN) for 2017/18. This is the maximum number of children that a school will admit into reception which is agreed before the admissions process begins.

Oversubscription Criteria

If the number of applications exceeds the published admission number, the school's oversubscription criteria will be applied. **Please note that this is just a summary of the criteria and you should look on the Cornwall Council website www.cornwall.gov.uk/admissions, contact the school or look on their website for the detailed criteria with definitions to understand how places will be allocated.**

Data protection statement

The information on your application form is collected by Cornwall Council as data controller in accordance with the data protection principles contained within the Data Protection Act 1998. This information is collected by Cornwall Council to allow it to carry out its functions in relation to the allocation of school places. Your data may be shared by Cornwall Council with other relevant admission authorities or Council departments (e.g. other local authorities, schools, Cornwall Council's Democratic Services, etc.) for the purpose of dealing with your application and any related matters (e.g. appeals). In addition, the information you provide in connection with your application may be used for the purposes of dealing with matters connected with or ancillary to your child's education (e.g. school transport, school meals, etc.) or the purpose of updating any other records (e.g. social care, health records, etc.) which either the Council or the schools hold in relation to your child. Your data may also be shared, as the law allows, for the purpose of preventing and detecting fraud. By completing and submitting your application you give your express consent that all data submitted by you may be processed by us in accordance with the above mentioned purposes.

The information you provide in connection with your application will be retained by Cornwall Council and/or the school at which your child is placed for the duration of your child's compulsory education. You have a right to apply for a copy of the information we hold on you or your child and to correct any inaccuracies. However, please note this does not include the details of any persons who have notified the Council of alleged fraud or the details of any allegations or investigations that may have been carried out. In addition, in the event that you no longer wish us to process the information for the purpose(s) provided you may withdraw your consent at any time by giving us written notice. You should understand, however, that we may nevertheless need to continue processing your personal information in accordance with our statutory obligations to the extent permitted by law.

If you have any concerns regarding the processing of your data then please contact the School Admissions Team.

Please note that although the information contained in this document was correct as at 31 August 2016 in relation to the school year 2017/18, it cannot be guaranteed that there will be no changes before the start of, or during, the 2017/18 school year or during subsequent school years.

Glossary

Academies/free schools are state-funded schools which are independent from the local authority. The academy trust sets the admission arrangements but parents/carers still apply to the local authority for a place at the school.

Admission arrangements are the overall procedures used in the allocation of school places. Admission arrangements are set by the admission authority.

Admission authority is the body responsible for setting and applying a school's admission arrangements. For community and voluntary-controlled schools this body is Cornwall Council. For foundation, trust, voluntary-aided, academy or free schools it is the governing body or academy trust.

Community schools are maintained by the local authority which sets the admission arrangements.

Co-ordinated admissions scheme is the process by which local authorities co-ordinate the allocation of places for schools in the area.

Designated area: Cornwall Council has divided the County into geographical areas which are each served by a specific school or schools. They are used to determine entitlement to school transport. **Some** schools also use living in the designated area as a priority in their oversubscription criteria.

Fair Access Protocol is a document that sets out how Cornwall Council and schools will ensure that, during the school year, children without a school place, particularly the most vulnerable can be offered a place at a suitable school as soon as possible.

Foundation schools are maintained by the local authority and the governing body sets the admission arrangements.

Oversubscribed is where a school has a higher number of applicants than there are places available at the school.

Oversubscription criteria refers to the published criteria that an admission authority applies when a school has more applications than places available in order to decide which children will be allocated a place.

Published admission number (PAN) is the maximum number of children that a school will admit at the normal point of entry to a school. The number depends on the amount and type of accommodation available.

Trust schools are a type of foundation school which forms a charitable trust with outside partners.

Voluntary-aided (VA) schools are maintained by the local authority and the governing body sets the admission arrangements.

Voluntary-controlled (VC) schools are maintained by the local authority which sets the admission arrangements.

Blank page

Key dates

15 January 2017

Deadline for applications

18 April 2017

National Offer Day - when information about the outcome of your application will be sent out

By 17 May 2017

Parents/carers can submit appeals or requests for their children to be added to waiting lists

June 2017

Appeals will take place (mainly for on-time refusals)

Family Learning – what is it all about?

Would you like to be able to support your child with their learning? Perhaps you need to refresh your own skills or just find out about the language and methods used in schools to teach your child.

Family Learning delivers free courses across Cornwall to help parents and carers get back in touch with the school curriculum, support their children's learning, meet other parents and update their skills.

There are courses to help improve the support you can offer your child with maths, reading, writing or IT, including our new Scratch programming course. There are also courses designed to prepare you and your child for the transition between nursery and primary school or primary to secondary school.

All Family Learning tutors are DBS cleared for working with vulnerable children and adults.

To find out about free Family Learning courses in your area either call them on 01872 327519 or look at the Cornwall Family Information Service website and type Family Learning into their search box: www.cornwallfisdirectory.org.uk
