

## An Lester Trumach - The Packet Ship

2022-2023

Number 9

Wednesday 9<sup>th</sup>  
November 2022

Dear Parents and Carers,

We have the excitement of the Space Dome in school today, allowing our older children to experience space in the most informative, immersive and serene way. With Spaceport Cornwall in Newquay, the chance to actually be involved in space exploration or travel is something that our children could develop as a career. How exciting to think that these early opportunities and experiences that our children have could spark an interest that becomes their future pathway!

### Learning Out and About and in School

**Cultural Fusion Workshop** – Schools in Cornwall are working together to develop a Cultural Fusion Toolkit, exploring how we deal with issues involving culture, bullying, inclusion and negativity in our communities. Two children from Class 6 will be representing the viewpoint of our pupils at Penpol School on Friday morning.

**Class 1 Adventure Club** - Class 1 will be exploring our woodland with an Alice in Wonderland themed challenge on Tuesday 15<sup>th</sup> November in the morning for their Adventure Club session.

**Class 2 to Glendurgan Gardens** – Class 2 will be heading to Glendurgan Gardens for the day on Tuesday 15<sup>th</sup> of November. Tony Finnegan and his team have very kindly offered to guide the class. Information has been sent to families, if you are having difficulties arranging transport, please speak to Hannah Bridges or Olivia in the office.

**STEM workshop** – Classes 3, 4, 5 and 6 will take part in a roadshow looking at Science, Technology, Engineering and Maths on Wednesday 16<sup>th</sup> of November in the afternoon.
