An Lester Trumach - The Packet Ship

Dear Parents and Carers,

Our spring term topics all contain a sense of daring adventure! Pupils across the school are finding out what it means to explore; whether that be Class 1's exploration of towns and cities, Class 2's exploration of Cornwall and space, Class 3's exploration of history through archaeology, Class 4's exploration of ancient Rome, Class 5's exploration of Antarctica or Class 6's exploration of Mount Everest, this term will take our children's learning out of Marlborough School to amazing locations and moments in time. Hearing the children talk enthusiastically about their learning is a real treat. Your child will be bringing home a **Curriculum Information** sheet this week, so please take some time to discuss the illustration with them and then you can go on the learning adventure together!
