

An Lester Trumach - The Packet Ship

2018-2019

Number 10

19 November 2018

Dear Parents,

Children in Need and our Spotty Day at school last week was a fun but relatively calm and quiet event, certainly when compared with some of the activities around the country.. Thank you to all the children for joining in the day and helping us to raise £323.62 towards the charity's 2018 total.

I have sent a couple of other messages alongside or contained within the email link to this newsletter. Both are important in different ways and we have therefore taken the decision to issue them as hard copies as well.

The first has gone to parents of children in y0 with information of the new teaching personnel arrangements for the coming months. Thank you all for your patience and consideration as we have finalised details.

The second letter concerns Marlborough's nut free policy. We have experienced some potential problems recently and I am writing to remind everyone of the need to send in no nuts or products containing nuts, both to the school for use in the day or for children to access in any activity on or off-site involving the school.

The Mousehole Cat

Advent is almost upon us and the first Christmas event for the children has been arranged for Wednesday, 5th December. The *Mousehole Cat* performance will take place during the morning session. In order to cover costs as part of our celebration for the children we need to ask for a donation of £4 for each child. The office is now ready to receive all payments. Thank you.

Netball

Well done to the team for their fantastic efforts this term. We are not playing next week but, after a great win against St Francis, await the final results from those games to confirm our position in second or joint first place!

Marlborough A 3-1 St Francis A
Marlborough B 2-1 St Francis B
