

An Lester Trumach - The Packet Ship

2022-2023

Number 2

Wednesday 14th
September 2022

Dear Parents and Carers,

We have had a wonderful first week back to school introducing the routines and expectations for the children's new year groups and launching our new learning topics. Launches include a Gruffalo hunt, Kimberley Park exploration visit, a chocolate themed activity session, an ancient Egyptian archeology dig, a Greek Gods quest and a visit to the Britain in the Blitz exhibition. *Curriculum Information* is being sent out this week by class teachers and you will get a chance to meet your child's class teacher and look around the class rooms on Friday 23rd September between 1.30pm and 2.30pm. If you would like to get in touch with class teachers before the open afternoon please email office@marlborough.cornwall.sch.uk

The Death of Queen Elizabeth II

Following the announcement of the death of Queen Elizabeth II we held circle time sessions and class conversations about the news, so that children could have age appropriate discussions. Friday's Celebration Assembly was changed to an assembly celebrating the life of the Queen. We are aware that conversations about death may lead to feelings of sadness, worry and insecurity and we have given children the chance to talk about this in their class groups. If you feel your child needs further support, please talk to your child's class teacher or the *Penhaligan's Friends* website has resources to help families discuss death: [Penhaligan's Friends](#)

Marlborough School will be closed on Monday 19th September for the State Funeral.

New for 2022-2023

We have relaunched and reorganised our **School Parliament**, gathering ideas from children to develop areas of our school. From our initial consultation the children are very keen to have a group focussing on the environment and energy usage so watch this space for their ideas and input.

All classes are **making wider links**, either locally or globally through their class topics. This will include working with local residential homes, community groups and nurseries. We are very excited about getting involved in Falmouth festivals again! We will also be meeting people virtually and in real life from all over the world.

We are also developing our **Cultural Capital** offer, looking at experiences we want the children to have. This will continue through our *42 Things to do at Marlborough School, Hall for Cornwall Partnership* programme and we have been in talks with local music venues to try and create links with musicians from all over the world.

Class 6 are beginning their journey to become **Marlborough Ambassadors**, modelling Marlborough Manners and developing leadership skills.

Drop off and Collection Routines

We know that saying good bye on a morning can be difficult for some children but in order to develop independence, we ask that children in Classes 3, 4, 5 and 6 walk into the school building on their own. Thank you.

Preloved uniform

We have railings of preloved uniform in the school hall. Please come in and browse the rail at drop off or pick up, taking whatever you need. The uniform will also be available at the coffee morning and open afternoon on the 23rd.

Reporting absences

If your child is unwell and unable to come to school please let the office know by email or by leaving a message on the school answer phone. If we do not have a reason for absence the office will call you but this is obviously time consuming. Thank you.

Lunch Bookings

We have made a slight change to the menu and in doing so it may have deleted your Parent Pay menu choices. Please have a look at the app to see if you need to rebook meals for your child. Apologies.

Clubs and Wrap-Around Care
