

An Lester Trumach - The Packet Ship

2022-2023

Number 17

Wednesday 18th
January 2023

Dear Parents and Carers,

We have been casting aside the January blues and enjoying our curriculum this week. We've been out and about in all weathers, blowing the cobwebs away. January can feel like a bit of a slog, but a primary school is the perfect place to focus on the positive; the optimism of the children always sets the teaching team up for a good day ahead. Our *Dreams and Goals* PSHE topic is driving us on, thinking about our futures and all of the exciting things the children would like to be when they grow up; having a wide range of pets seems to play a key part in their vision of being a grown up. This week's assembly focused on the fact that **Every Day Counts**... even grey January ones!

Learning Out and About and in School

Class 6 Inspirasian Dance Workshops – Class 6 are working with Charlotte from *Inspirasian* today and next Wednesday, learning about Hinduism and Indian dancing.

Class 3 Christianity Workshop – Class 3 will be working with Jane Wheeler tomorrow, making connections between beliefs and the stories that the Bible teaches Christians. This will be in school.

Songfest – Choir are currently learning eight songs, all linked to history, to perform at the end of February. Patrick Bailey, from Songfest, will be coming in to work with the choir on Monday 23rd of January in the morning.

Class 4 and Class 5 Adventure Club – Both classes will be heading out on Tuesday 24th of January. Please can they wear clothes that they can get wet and bring school uniform for the afternoon. Thank you.

Class 5 Antarctic Explorer Visit – Class 5 will be meeting and interviewing an explorer who has spent time in Antarctica. Ian will be coming in to school on Wednesday 25th January.

National Storytelling Week – The week beginning the 30th January is National Storytelling Week and we would like to invite visitors in to read a story to a class at the end of the day. If anyone is up for sharing a story with a class, please email the office.

Class 6 Carbon Reduction and Environment Exhibition – Class 6 will be heading to the Princess Pavilion for an exhibition organised by the Rotary Club on Friday 3rd February. Please can children be collected from the Princess Pavilion at 2pm. Parents are welcome to join them looking at the exhibition from 1pm.

The Rock Pool Project Blue Recovery

Rock Pools are the best classrooms in the world!

Have you ever peered into a colourful inviting rock pool and wondered about all the small animals and plants that live in the green shadows under the clear water?

Turned over a rock and experienced the thrill of discovering a scuttling crab?

Blue Recovery Beach Days are free fun, educational, and an active day out for people of all ages in and around some of the best rock pools in Cornwall: Castle Beach and Gyllyngvase Beach.

Come on a **free** expert-led rock pooling beach day with exciting discoveries at a rock pool ramble at a local beach.

Our expert guided beach days provide hands-on exploring fun for children of all ages with our experienced staff who have taught hundreds of children about marine wildlife and conservation.

Blue Recovery is a **free** citizen science project set up specially for the people of Falmouth and Plymouth to help local people explore, understand and care for their local wildlife and coastline.

All of our guides are qualified specialists in Marine Biology and led Dr Ben Holt, who has studied marine biology all over the world.

For more information or to sign up to this month's blue recovery day visit the rockpoolproject.co.uk
