

An Lester Trumach - The Packet Ship

2017-2018

Number 23

12 March 2018

Dear Parents

Well done to all the runners from Marlborough who represented the Falmouth schools in the Peninsula Cross Country Race last week. These were children who had won through the local heat and special congratulations go to Lilia who qualified for the County finals in the y4 Girls race. The other members of the squad at this level were:

y4 Lily-Marie Jeeves; Tilly Williams; Finn Seamark

y5 Coby Baldwin

y6 Lauren Davis; Hester Higgins; Olivia Patterson; Eva Reid

Seeing nine children win through from Marlborough to represent the area is a great achievement. Thank you to all the parents who supported them and assisted in transport.

The children's fundraising group would like to support Sports Relief next week. They are organising various different sports activities throughout the week and would like the children to **"WEAR YOUR SPORTS KIT TO SCHOOL" on Friday 23rd March** and bring £1

donation for the charity. Staff will also be taking part in a static cycling event in the hall each morning next week, their goal is to 'cycle the Cornish coast' – please donate your spare change in their collection bucket. *Thank you from the School Fundraising Committee.*

Packet points for the week beginning 26th February were mislaid in the blizzards, but each class's individual results have been counted and included in last week's scores given here:

The compost bins in our school grounds are now full and we are unable to add any more fruit/vegetable peelings to them. If you would like to take some of our kitchen peelings for your own composter, or if you would like some organic compost from our bins, please let the office know.
