

# An Lester Trumach - The Packet Ship

2018-2019

Number 24

26 March 2019

Dear Parents/ Carers,

Last week was another week full of exciting learning opportunities.

Class 3 had a visit from Mr Parrot who spoke to the children about mining – linked to their topic of The Stone Age. The children had lots of questions including: Why did you mine for tin? Did you earn a lot of money? What tools did you use? How many people were in the mine? How far did you dig down in the mine?

Year 3 also had a visit from Falmouth Art Gallery this week. They looked at original sketch books including Reverend Saltern Rogers (1853), Marjorie Williams (1906) and Danny Markey (1993).

This week foundation stage have continued to journey around Australia; they are learning, amongst other things, about Aboriginal art.

Year 1 have ventured to Paris and investigated the landmarks of the French capital.

Year 2 have been continuing their description of Where the Wild Things Are!

Year 4 are continuing their learning about China and Mount Everest – Mr Pentecost came into school this morning to speak to the children about mountaineering which they all thoroughly enjoyed.

Year 5 are visiting The National Maritime Museum tomorrow, to embed their learning about Ernest Shackleton.

Year 6 are working hard to further develop their reasoning and problem solving skills in Maths, alongside developing their creative ideas in English.

So as you can see, it's all Go! Go! Go!

## Big Dig Report

It's so important to say thank you when people help us. After the Big Dig, we sent our thank yous home via the newsletter, this week we have written to the individual companies who helped us and included the Big Dig report (see attached) and also a few thank yous from our children. We are really very grateful for the help and resources which they provided and we look forward to working together again in the future.

Let's hope this lovely sunny weather continues and we can get outside as much as possible.

Have a super week,

Vicky Sanderson

Packet Points						
This week score table				Termly score table		
Position	Team	Weekly Points	Weekly Score	Position	Team	Termly Score
