

At Marlborough School we help pupils to develop:

Responsibility

Self-respect, self-confidence, self-esteem, positive personal behaviour and an intention to develop skills and remember learning forever.

Readiness

Well prepared, positive attitudes with high expectations and motivation.

Resourcefulness

Ability to think, question, argue and imagine, seek understanding creatively, flexibly and with ingenuity.

Resilience

Working hard, persisting with tasks, working without fear of failure, working independently and with others, an appreciation of human endeavour.

Reflection

Learning to learn and self understanding as well as a feeling for and wonder of life and sensitivity to beauty.

Relationships

Showing respect for everyone's personal values and beliefs with an awareness of and sensitivity to others needs and caring for property.
