## An Lester Trumach - The Packet Ship

Dear Parents

It was great to see so many characters from Roald Dahl for our Book Shop dress up this morning and thank you for your donations: we raised £80.20 towards our defibrillator appeal. The shop is open mornings and afternoons until Thursday.

### Sports Results

Netball	St Francis B	0-8	Marlborough
Football	St Francis	2-1	Marlborough
	Peranarworthal	3-0	Marlborough

A great win for the netball in their final game of the season secured a middle of the table finish in the inaugural Falmouth league. The match had to be played indoors because of the weather, which meant a shortened period of play and changes to the player rotations. The whole team took a few minutes to establish complete control of the court before Lottie broke the deadlock with her first of 7 goals. Emily scored the eighth and Jay had a strong game in defence. New bibs are on their way to ensure a professional look next season – I'd like to thank Caroline Sharpe who has volunteered as our coach, keenly and ably helped by Liz Sinclair. The club will continue next term: it has been terrific to see enthusiastic new players join in this year and we would like to welcome more new junior players

Meanwhile, braving the elements, the footballers faced two very strong sides. They managed to go ahead against St Francis and were leading at half time. Unfortunately two late goals went against them. The Marlborough players picked their heads up for the second match and held Peranarworthal off for most of the game until a late series of attacks took away the result. League matches continue for the football team with a game against Mawnan Smith on Wednesday. Marlborough will be wearing their new kit!

Falmouth School held an indoor athletics competition last Friday. Our y3/4 team came second and the y5/6 team fourth. Well done to all the participants.

### ePay

On further investigation into the ePay provision we have found that eSchools are not yet able to provide us with a sufficient service for reconciliation of payments received and there would be a charge to parents for each payment made. We are, therefore, offering parents the alternative of paying by BACS straight into Marlborough's bank account for which there is no additional fee. If you would like to use this method to make payments for your child's school meals, trips or clubs, please visit the school office for BACS details.

This Week				Total

5 <sup>th</sup>	Chichester	17	2	5 <sup>th</sup>	Freeling	26
	Freeling	17	2		Walsingham	26

Please help us to support the doctors' appeal for the children of Aleppo by donating to the **Bags of Love** collection boxes scheme.

There is a collection box in reception by the office post-box from today – it will be there for the rest of this month.

**We need:** a small cuddly toy, coloured pens or pencils with a sharpener, a pad of paper, a bag of halal\* sweets, an outdoor toy such as a skipping rope or ball.

**Please don't send:** toy guns or soldiers, chocolate or other perishables, or battery powered toys.

\* Please make sure that, if you are donating sweets, they do not contain gelatin.

Thank you.

Send a Bag of Love,  
to tell the children of Syria  
they are not forgotten.

*Rogansier*
