## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

Welcome back to the Summer Term, now all we need is some sunshine and warmth to get us in the mood! We had a great INSET day on Monday developing our curriculum so the children are able to see clearly how their learning progresses throughout the term. Please look at the dates for the diary as there are other INSET days and Bank Holidays coming up. The summer term is a busy one, with our creative curriculum being delivered throughout the school alongside our amazing curriculum enhancement opportunities, Sports Days, residentials and a summer production. It is going to be brilliant, busy and hopefully sunny!

## School Maintenance Update

Over the Easter holidays, **new fire doors** have been fitted to the hall, playground and Reception Class. We have also had a **new computer server** fitted by NCI. In the lower playground, there is a welfare unit for the company fitting our **new boiler**, which could take a month to install. While they are working in the lower carpark, we have reopened the upper carpark but this is only a temporary measure. The emergency fencing will remain in the lower playground until **new windows** are fitted along the top corridor, which should be installed this term. We also have a massive project starting soon, refurbishing the current resources room and making it into a **new therapy room** suitable for individual and group sessions. Marvellous Mariners' have helped create a **new beautiful woven willow fence**, creating privacy for the Reception class when they are learning outside.

### Time to spare?

Do you have time to spare to support learning at school? Some volunteers come in one day a week from drop off until 9am to hear readers and this role is invaluable. If you have any time during the week to help, please speak to Olivia in the office, who can set you up with an online DBS safeguarding check and then we can meet and allocate you a class to support. Many thanks in anticipation!
