An Lester Trumach - The Packet Ship

Dear Parents and Carers,

Many thanks to everyone who helped with the very successful Big Dig day! The children had a wonderful time, learning in our natural environment. The programme of activities had something for everyone and, due to your input, felt incredibly positive and exciting. We were also treated to pasties for lunch and some shanties from *The Countrymen* at the end of Big Dig day so, all in all, it was a blast! Next week, we have our **Sports Day** sessions and the start of our rehearsals for our summer production which we can now announce is... *drum roll...* **The Legend of King Arthur**. We are very much looking forward to whipping up the play-in-a-week and sharing this story with you on the school field on the 7th of July at 5.30pm. All pupils will work with either John Brolly from the Minack or Sally Knight from Cscape dance. These workshops are being funded through our Hall for Cornwall Partnership status.

Learning Out and About and in School

Robin Hood Production – The whole school are being treated this afternoon to a production of Robin Hood. This is being performed by Image Musical Theatre.

Reflection Spaces – We are very lucky to have Jane Wheeler and her team setting up reflection spaces in our garden area during the week beginning the 27th of June. All children and staff will have the opportunity to find peace, calm and time for reflection using the multi-sensory activities that the team will set up.

Class 5 Adventure Club – Class 5 will be heading to Swanpool Beach with Louise Tremewan on Tuesday 28th of June. They will be back to school in time for lunch.

Sports Days – We have our Sports Day sessions coming up next week, with Reception, Class 1 and Class 2 competing on **Wednesday 29th of June** and Classes 3 to 6 competing on **Thursday 30th of June**. Families are invited to watch the competitions. Both afternoons will start at 1.30pm and children will be able to be collected from the field following the event. Children should come to school in their PE kit, with a sun hat, water bottle and sun screen.

Optional Summer Production Workshop – As we have John Brolly and Sally Knight all day on Friday, we are offering free workshops on Friday 1st July **after school** for children who would like to be involved in either a *People of the Lake* dance or be involved with the *Introduction of the Performance*. If your child would like to take part, please let class teachers know that your child will be staying for the workshops.

Class 3 to Maritime Museum – On Tuesday 5th July, Class 3 will be spending the day at the National Maritime Museum Cornwall, taking part in a workshop developing their maritime skills and exploring the delights of the museum. The cost of the workshop is £5.95 per person and this can be paid through Parent Pay.

Class 5 Surf Day – Class 5 have an exciting day planned with Global Borders on Monday 11th of July. Lou Gall will send details out nearer the time.

PSHE 'Changing Me' topic – Most class teachers will be emailing parents and carers with the content of the Relationships and Sex Education aspect of their teaching this term. If you have any questions about how you can support this at home, please talk to your child's class teacher.

Class 4 Residential to BF Adventure

Class 4 will be heading to BF Adventure at Halvasso from the 11th to the 13th of July. Martin Gimenez will be sending out a kit-list and itinerary next week. Payments can be made via ParentPay. If you have any questions about the residential please speak to Martin Gimenez or Abi Squibb.

Open Afternoon

Parents and carers are invited in to school on Thursday 14th of July from 2pm to look through your child's work and see the displays in the classrooms. This will be a lovely opportunity to celebrate the progress your child has made throughout the year.

Staffing 2022-2023

Next academic year, most teachers will be staying in the same year groups. We will have Hannah Bridges joining us in September. However, we are making a change to two of the class rooms. We are swapping the rooms belonging to Class 3 and Class 6. This decision has been made to provide Class 3 with a more 'zoned' room, akin to KS1, with direct access to the woods. It also allows the upper school - Classes 4, 5 and 6 – to work closely together and for them all to have access to the larger playground and toilets. The group this will have the most effect on is Class 5, as they will have been expecting to move to the old Class 6 room. Matt Swiggs will be working with Class 5 to put the classroom together to make it feel Class 6-y!

Below is a list of the classes and their teachers and towards the end of term you will also know the teaching assistants working with your child's class.

Class 6 London Residential

Last week, wonderful Class 6 went on a whistle-stop tour of London! In four days, they managed to pack in a walking tour of central London, a visit to Twickenham Stadium, a stroll along the Southbank, a flight on the London Eye, exploration of the Natural History Museum and the Science Museum and they enjoyed a performance of The Lion King. They visited Chase Bridge Primary School in Twickenham and met with the pupils of the contrasting school. The children were amazing throughout the four days, and their behaviour and attitudes were great. We had compliments from strangers regarding their politeness in restaurants, the way they line up and listen and their impeccable behaviour in the theatre. Their rooms were tidy and they were organised each day. Much to the adults' delight, they also went to sleep on time! Thank you so much to the parents of Class 6 for allowing us to take your children off you for four days; they were a real credit to you. And a **HUGE THANK YOU** to Matt Swiggs, Melissa Pentecost, Louise Tremewan and Kay Patterson for giving up their own time to provide such a memorable experience for our pupils.

Help Needed!

The little play house in our reception courtyard has lost some of the felt roofing. Does anyone have any felt that could be put on the top?

Also, our raised beds are looking a bit sad and overgrown since Gardening Club finished. Does anyone have any time they could spend tidying up the beds? Please contact the office if you can help with either of these jobs. Thanks!
