Dear Parents

Meeting for Parents with the Full Governing Body

Marlborough School

This Friday 8th June 2018

14:00-15:00 in the School Hall

To discuss the response and actions to be taken following the recent Ofsted Inspection

Firstly, thank you again for the kind messages of support that have continued to flow in to school and have been added as a response to the Falmouth Packet page, etc. I know that the inspection report came as a surprise to many and it would be wrong to admit that it has not been a disappointment to us. It has been encouraging and a confirmation of the privilege the school team feels in working for the children and families of the Marlborough community, that the response to the findings has been so measured and considered. However, with the Governing Body, we have taken on board the key messages and advice and as mentioned these are being fully considered and will be implemented through the School Development Plan.

The governors have received a couple of requests for an opportunity for parents to meet to discuss the report, its findings and the next steps to be taken and so would like to invite all parents and guardians to a meeting to be held in the main hall on Friday this week, 08.06.2018, immediately after school at 14:00. By request, this is the earliest opportunity and we do apologise for the short notice: a written record of the meeting will be taken and circulated for all families. It would be helpful for us in preparing the room, if you could inform the office (directly or by text/email) if you intend to attend the meeting. Thank you.

Marlborough y6 Visit to Paris 2018

Our largest Paris Visit group yet (28 y6 pupils), left Swanpool at midnight on Sunday 20th May and returned in the early hours on Friday 25th May, in time for the children to sleep off the effects of an action packed week without losing any of their well earned half term. As ever the children were amazingly well behaved and were able to enjoy visits to the Newfoundland Memorial Park; the Bastille and Marais area; the Eiffel Tower; Montmartre and the Place du Tertre; the Musée d'Orsay art gallery; and especially Parc Asterix. Here's a taster of some of the memories – we'll be putting together a show of all our photographs later.
