

An Lester Trumach - The Packet Ship

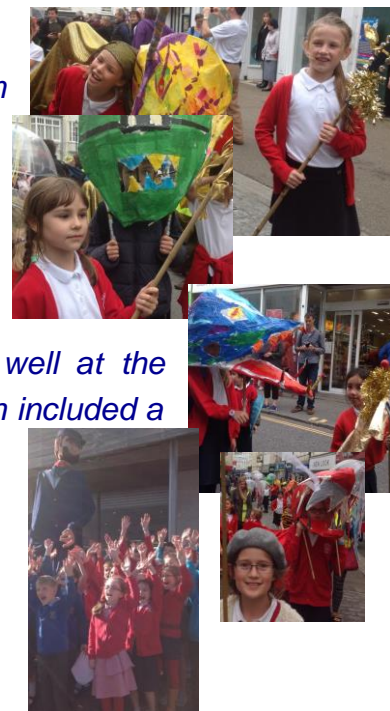

2017-2018

Number 6

16 October 2017

Dear Parents

The Oyster Festival went ahead on Friday with forty children from Marlborough either leading the way on stilts (thanks to the skills they've learnt at Circus Club) or taking our new packet ship dancing Morgawr sculptures out for their first parade. Thank you to all the parents who supported us. It would be great to see the numbers growing again for next year as we hope to develop the dance aspect with the jellyfish parasols and new oyster shell fans involved too. Chloe and Joseph represented us well at the opening event meal, whilst choir members sang at the ceremony itself, which included a professional re-telling of Esme's Morgawr and the Pearl winning story.

Parents Consultations Years 1 to 6

Consultation meetings will be held during the week straight after half term (30 October-3 November).

Appointments to see your child's class teacher can be made on-line tomorrow by logging into the school website or parents app. (Reception class meetings will take place later in the term).

Early Term Parents Meetings Update

The last section of my updates has to do with funding. As you are aware all public services are currently under pressure and the implications of proposed cuts are very serious. I'll write with further details after half term, but first do need to impress upon parents the need to ensure that, where voluntary contributions are requested:

we will need to ensure that sufficient funds are collected before the visit can be finally authorised. The governors are renewing the charging policy later this term.
