

2017-2018

Number 2

An Lester Trumach - The Packet Ship

18 September 2017

Dear Parents

As I will be meeting with parents alongside the class teachers this week, I'm keeping to a short paragraph in this newsletter, although there is some important information and a few other contributions. I'll be passing on some significant messages about learning this year and will follow up the meetings next week. The meetings are open to everyone – there will be a crèche, so please make sure your family is represented. The format is that I will speak in the hall at 17:00 On both evenings – tailored to meet the needs of infant and junior audiences. Following my introduction parents will then go to their children's class teachers. If you have children in more than one class on either night, please go first to the elder child's class and then meet with the other teacher after this. Parents of children in the new reception class have already met their y0 teaching team so will need to stay only for the hall session, although there will be an opportunity for them to meet representatives from the governing body too.

Tue 19.09.2017 17:00-18:30 – Infant Parents Meeting with the head and class teachers
Thurs 21.09.2017 17:00-18:30 – Junior Parents Meeting with the head and class teachers

Reading Challenge			
1 st	Pelham	32	7
2 nd	Fox	23	5
3 rd	Freeling	20	4
	Swiftsure	20	4
5 th	Walsingham	18	2
6 th	Chichester	16	1

As mentioned last term, this year we're widening the activities that contribute to the overall packet point competition. Those children who completed Cornwall library's Summer Reading Challenge have thus also earned points for their packet ship (2 for those who completed and 1 for those who got at least half way).

Week One

2 nd	Freeling	21	5
3 rd	Swiftsure	20	4
4 th	Chichester	17	3
5 th	Fox	16	2
6 th	Walsingham	13	1

Message for Parents

Kernow Health

y0-y4

We are sending Public Health England's information leaflet and a letter concerning this year's flu vaccination programme (10 November at Marlborough). Please do take the time to read this material and to complete the form (**whether giving or refusing consent**) as soon as possible.

y0 and y6 Reception and class 6 children are also bringing home information about the in-school health checks. Again, please complete the form on the front page, remove it from the booklet, which contains some helpful guidance, and return your response to the school office as soon as possible. Please note, the post-box in front of the reception window is secure and will avoid having to queue. Thank you.

Another health focus for the whole school this term will be the Restart-a-Heart day we are holding as part of the European day of action on Monday 16 October.

Cornwall Resus
life saving training

will be in school all day teaching age related fun first aid for all the children.

After school we would like to invite parents to join us, along with local residents, for training in using a defibrillator. Following the support staff's great efforts in getting one fitted for the community, it would be great if as many people as possible were confident should they ever need to use one.

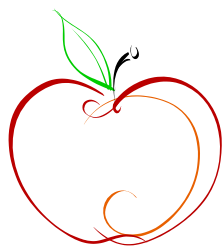

Keep Friday afternoon, 29th September free in your diary. It's coming up very quickly and Apple Day is always a firm favourite. See the following information and activity pages.

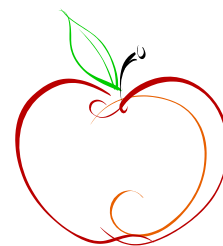

Rogansier

Marlborough School's Apple Day Friday 29th September after school in the hall from 14.00 to 16.00

The time to celebrate apples is fast approaching again this year, and to make this year as terrific as previous years we need you all to start collecting and storing apples **NOW** ! If you've collected apples please bring them to school the week of 25th September, where there will be boxes left in the entrance hall for you to pop your apples in. Please bring anything you can we need lots of apples! If you have any special varieties, can you bring them in in a labelled bag so we can put them on the tasting table?

Make and apple decoration

We will be decorating an apple tree in the foyer with apples the children have made at home. So on a rainy weekend or evening why not have a go at making apple related decorations to hang on our tree for all to see. The tree will be ready for your apple decorations the week before Apple Day, so hopefully by the 29th September the tree will be full.

Competitions

There will be an apple pie competition with a prize for the winner so any budding junior Mary Berrys out there are in with a chance of a prize ! Our school cook Hattie will be judging this year (recipes are available in the newsletter and in school).

As well as prize winning pies, there will be winners for the child who

- finds the largest apple and brings it in labelled with their name
- makes the most words in the Apple Word Jumble puzzle and finds the most apple names in the Apple Word Search (please return all completed sheets to the box in the hall by the end of Apple Day) Puzzles are attached to the weekly newsletter and available in school.

We need your help

We will be having an apple related cake/biscuit/food stall so all donations will be **VERY** greatly received. All proceeds from this stall will go to the School's Learning in the Natural Environment (LINE) fund to carry on the good work. All other stalls will be free.

We are looking for help from parents to supervise the activities, and to help set up as we only have 30 minutes to get everything ready before the doors open at 2pm. So if you are able help on the day please sign up below and return this flyer to the school office before Friday 22nd September, or contact Kath Statham direct on 07539 923923 or kath27st@gmail.com.

The annual success of the event is created by the family of Marlborough School and I hope lots of you will be willing to help out making cakes and lending a hand on the day.

APPLE DAY WORD JUMBLE 2017

How many words can you make from the jumbled letters in the apple? Write them all down on this sheet and when you have finished post the sheet in the box in the hall before the end of Apple Day on Friday 29th September.

1	_____	16	_____
2	_____	17	_____
3	_____	18	_____
4	_____	19	_____
5	_____	20	_____
6	_____	21	_____
7	_____	22	_____
8	_____	23	_____
9	_____	24	_____
10	_____	25	_____
11	_____	26	_____
12	_____	27	_____
13	_____	28	_____
14	_____	29	_____
15	_____	30	_____

Continue on an other page if you need to!

Apple Day Word Search 2017

1. Can you find all of the 28 apple names in the list below?
2. Have a guess whether each name is an eating or cooking apple and put an E or a C next to each name. Two have been done for you as an example.
3. Can you unjumble the letters shown in bold in the grid in bold to spell out a variety of apple?

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

4. Put your completed entry in the box in the hall before the end of Apple Day and an entry will be drawn at random for a prize !
