## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

We had an exciting Mariners' meeting last week, looking at the year ahead and planning how our families can support our school in improving outcomes for the community. As you are aware, the cost of living is rising for all and our school budget is massively stretched due to the increased cost of provisions, high energy prices and sudden pay decision changes for all staff. We are trying to find ways of adapting our practice to still give children the wonderful curriculum that they are entitled to and managing it in an economical way. All families linked to the school are 'Mariners' and everyone contributes in different ways. If you have any skills you can offer or any ways you would be able to support our community, please offer them during the year. It is definitely a year of 'all hands on deck' for Marlborough School.

### Mariners' Coffee Morning this Friday

On Friday morning there will be a chance to have a cuppa and cake with other families from drop off until 10am in the school hall. Everyone welcome!

### Open Afternoon this Friday

Parents and carers are invited into school on **Friday between 1.30pm and 2.30pm**, to have a look at their child's classroom and meet the teacher. Reception parents have already met with class teachers so will have another session later in the half term.

I loved all the school community events we had last year.. Well done Mariners!
