

An Lester Trumach - The Packet Ship

Dear Parents and Carers,

We hope you enjoyed your Bank Holiday weekend; the bluebells are out and the sun was shining for most of it! You should have received the *Curriculum Information* guide for your child's summer term learning last week. Luckily, the skills aspect of the curriculum is cyclical, meaning that objectives are revisited regularly during a child's education. For example; addition is revisited constantly and historical concepts are revisited in each history unit. This means that we are not delivering a 'catch up' curriculum due to the long school closures but are building upon remote learning and previous school learning to ensure children are making progress. We do not want our children to feel that they are catching up, we want them to know that we are all learning together and that their individual learning needs will be met.

Phone lines and Internet

We are having problems with our internet and phone lines, meaning that there is no internet in the school except for the school office and the phone lines have been redirected to our school mobile. While we are operating on this limited service class teachers are unable to receive emails during their time at school. Therefore any urgent messages should be emailed to office@marlborough.cornwall.sch.uk Apologies for this; our providers are working to solve the problem.

Learning Out and About and In School

Class 5 Adventure Club – Class 5 had a wonderful session at Swanpool beach yesterday, developing map reading skills and learning about life cycles, all whilst working together as a team.

Class 3 Art Gallery Workshop – Class 3 are having their second workshop with Falmouth Art Gallery today developing their painting, collage and printing skills. The workshop is being held at school.

Class 6 Tregoniggy Woods Workshops – Class 6 will be working with the Friends of Tregoniggy Woods today and tomorrow. They will be studying wildlife within our local environment. The class will be spending the afternoons in the woods, this will not affect their lunchtime.

Class 6 Adventure Club – On Tuesday 11th May Class 6 will be heading to Swanpool beach for the morning to explore Andy Goldsworthy's art pieces and develop their eight figure grid reference map skills.

Summer Production – Save the date... We are planning a whole school summer production on Thursday 8th of July at 5.30pm. We will be working with the marvellous John Brolly from the Minack Theatre and the wonderful Sally Knight from Cscape dance to bring you a summer treat! More details to follow.

Summer Term Physical Education

Swimming Sessions – Change of date for Class 5 - Class 5 will be swimming every day during the week beginning 24th May. Their sessions will be from 9am-10am so children can be dropped off at Ships and Castles from 8.30am. Although we can cover swimming costs from the school budget, parents have the option of donating £15 towards the cost via ParentPay. Mrs Gall will send out more information nearer the time.

Covid Cases, Symptoms and Testing

- Please continue to inform the office if your child shows symptoms of Covid-19, is being tested, is awaiting a test result and the outcome of the test.
- Please continue to inform the office if someone in your household has symptoms and the result of the Covid test. All household members need to isolate if someone displays symptoms.

Mariners' Update

Mariners are planning two new initiatives:

1) **Mariners Roulette** - sign up to be matched with two other parents to arrange a mutually convenient coffee, beer or swim! We've all missed some of the social aspects of school drop offs and pick ups this year. We hope many parents may be interested in taking up this opportunity which will help us all reconnect.

2) **Breakfast beach meet-ups for each class** - once the rules allow groups of up to 30, we will organise some early morning meet ups on the beach, possibly with croissants...

Further details of both of these, and how to sign up, will be sent round by email.

Congratulations!

Jack Prason entered the *Spring into Action* competition, set by the Sustrans Team, and won! The challenge was to create a piece of art work inspired by spring. Jack painted the detailed picture below. Many congratulations to Jack who won a scooter for his efforts. Well done Jack!

Dates for the Diary

Wednesday 5th May – Class 3 Art Workshop with Falmouth Art Gallery in school

Wednesday 5th and Thursday 6th May – Tregoniggie Workshops in the woods

Tuesday 11th May – Class 2 Art Workshop with Falmouth Art Gallery
