An Lester Trumach - The Packet Ship

Dear Parents and Carers,

Last week gave us all such a wonderful feeling of pride due to the the behaviour, values and attitudes of our Marlborough pupils. We had a brilliant email congratulating Year 5 on their behaviour and learning attitudes following their visit to the Jewish Cemetery. All pupils showed such resilience and support for each other during our school sports day. The sports leaders played an important part in the organisation of the event and showed encouragement towards the younger children. Sarah Newton, the MP for Falmouth and Truro, joined the Cabinet for lunch, followed by a discussion on climate change. Ms Newton was so impressed by the eloquence, politeness and friendliness shown by the Cabinet. Ms Newton attended Marlborough School as a child and started her love of politics by being given a voice as a class representative. It would be wonderful to think that our pupils could go on to represent our community in the future.

They have a Leavers Performance on Friday 28th of June and Tuesday 2nd July. They will be having an End of Year 6 Party on the 12th of July, followed by a disco. There will also be a Leavers Assembly on Wednesday 24th of July at 9am. Information has been sent to Y6 parents but please ask if you would like to know more.

Please note - Due to staff training, the Year 4 pupils book launch will now be on Thursday 4th of July at 9am. Apologies for the late change.

Marlborough Mariners

A Midsummer Night's Party - We are taking on the challenge of creating a play in a week (gulp!) and our pupils will be performing a whole school production of A Midsummer Night's Dream on Thursday 11th July. We need your help to turn this evening in to a Marlborough Party! Are any musicians able to perform? Are you able to perform circus tricks? Can you face paint? How are your barbeque skills?! If you are able to help in any way please speak to Abi Squibb, Julia Rowe, Sophie Songoro or the office staff. Next week we will be sending out booking forms for barbeque food.

Library Project - The library project is in full swing. A bid has been put in for additional funding, we have met with The Education Library Service Team, the children have been gathering ideas about how to use the space and we have design students ready to make the new learning hub an irresistible environment. In September we will be transforming the area and we need you! We need your help with making the design into a reality. Are there any carpenters or painters who would be happy to help with the construction and decoration of the space? If you could help us please contact Abi Squibb or Ruth Littlejohns-Sames.

School Meal Debts

There are some families owing monies for school dinners, with some balances up as high as £60. We will be sending out reminders next week but would be grateful if you could make payments this week if you know you are in debt. Many thanks.

Bunting Material Requests

Bunting is being made for the Year 6 leavers event. Any large pieces of material would be gratefully appreciated. There is a box in the hall for any donations.

School Craftivism Project

We have the exciting opportunity to work with a local artist, Sarah Perry, on a lottery funded arts project entitled Craftivism (craft + activism). Sarah is working with the school community and residents of Ferndale Road to decorate the local area with bug themed art work. Sarah will be holding craft workshops for families, starting on Friday 28th of June from 2pm to 3.30pm in our school hall. Please come along to support this project and make Ferndale Road an exciting, bug-tastic hive of the community!

Featured Year 6 Pupil

Rita in Year 6 has been featured in an article in Veterinary Nursing Times. Rita contacted the magazine as she has a yearning to be a Veterinary Nurse. The article is attached to the newsletter. Well done Rita!
