

An Lester Trumach - The Packet Ship

Dear Parents and Carers,

We hope you have had a wonderful break from school. It has been fantastic to enjoy the sunshine and recharge our batteries ready for the busy half-term ahead. Many thanks for all your support with our Jubilee Party; the children looked amazing, sang wonderfully and happily demolished the party tea food you had all supplied! It was heart-warming to have our community together, celebrating and smiling. We have plans in place for our summer production, with another Play-In-A-Week project being developed for the 7th of July. We will start the transition process into the next year group during July and staffing updates will be given at the beginning of July to prepare children for the next stage of their journey. This half term is always busy but brilliant!

Summer Term Jigsaw Theme - Changing Me – The whole school theme for PSHE this half term is *Changing Me*. Children will learn about changes that happen to them in their life, including changes to their bodies over time. In Years 4 and 5, pupils will explore changes that happen during puberty and Year 6 pupils will be learning about human reproduction. More information about how we teach reproduction will be sent out to Year 6 parents and carers nearer the time. If you have any questions about the teaching of these subjects please talk to your child's class teacher or see our PSHE Policy on our website by following this link: [PSHE policy](#)

London Residential – Monday 13th June

Our Class 6 pupils are off on their exciting residential to London on Monday 13th June. They will be exploring the capital over four days; visiting museums, discovering The Tate Modern, exploring Twickenham Stadium, taking a flight on the London Eye, eating out in the West End and experiencing The Lion King. We have also made links with a large primary school in Twickenham and the children will be meeting their pupils and celebrating similarities and differences about growing up in our contrasting locations. This will be a wonderful opportunity for the group, especially after seeing London on tele, being celebrated as part of the Platinum Jubilee.

BIG DIG! Next Friday, 17th June This is a wonderful parent-led school day where the children spend the whole day outdoors! 🌻 There will be all kinds of activities for the kids – gardening 🌻 den building 🌻 crafts 🌻 nature walks 🌻 outdoor games – as well as working to spruce up areas of the school's outdoor space 🌻 This can only happen with the help of amazing parent volunteers on the day, so if you can be part of it, please pick up a volunteer form from the school office – you can indicate what you'd be interested in helping with on the volunteer form. Please see the leaflet in your child's bookbag for full info and please take a look at our donations wish list in case you can help.

Come and join us for lunch!

We will be inviting families in to join their child for lunch after half term. Each class will have a week where adults are able to come in any day of the week. Meals cost £3.50 and can be booked through the office. Please book your meal by the Friday of the week previous to your class lunch.
