

## An Lester Trumach - The Packet Ship

2021-2022

Number 6

13<sup>th</sup> October  
2021

Dear Parents and Carers,

Children are well and truly in the thick of their learning at the moment! The school is busy with the hustle and bustle of immersive learning and books and displays are reflecting the quality of work being completed. We are looking forward to welcoming parents and carers in for consultation meetings next week where you will have the opportunity to look at books and see your child's classroom. Whilst carrying out pupil conferencing last week as part of our monitoring process, it is evident that the children know what they are doing, why they are doing it and how they can improve. Children across the school were able to reflect and showed a real enthusiasm for moving their learning on, thriving on challenge and showing determination and resilience. Fantastic!

### Parent Consultation Meetings

Parent Consultation Meetings are being held next week. Appointments can be booked on eschools. If preferable, a phone conversation can be arranged. This will be an invaluable session to look at how well your child has settled into their new class, to celebrate achievements so far and identify next steps.

### Learning Out and About and In School

**Class 4 Adventure Club** – Class 4 went to Tregoniggy Woods yesterday morning to identify and classify living things.

**Class 1 to Allotments** – Class 1 will be heading to the allotments on Thursday afternoon to look at plants and trees. Any helpers would be greatly appreciated.

**Class 5 Adventure Club** – Class 5 will be heading to Tregoniggy Woods for the morning on Tuesday 19<sup>th</sup> as part of their design and technology curriculum; making moving models out of natural materials.

### TODAY - Becoming a Reader Meeting; Wednesday 13<sup>th</sup> October at 5pm

We are inviting parents and carers into school to discuss how we teach children to read, share resources and strategies to use at home to help your child become a fluent and confident reader. We have made changes to the teaching of phonics this year and we are now using **Little Wandle Letters and Sounds** as our synthetic phonics scheme across Key Stage 1. More information can be found on our website: [https://marlborough.eschools.co.uk/website/early\\_reading\\_and\\_phonics/500973](https://marlborough.eschools.co.uk/website/early_reading_and_phonics/500973)  
This meeting is mainly aimed towards families of pupils in Reception, Class 1 and Class 2 but all parents and carers are invited.

### TOMORROW - Tempest Individual Photographs; Thursday 14<sup>th</sup> October

**Please can all children come to school in their school uniform and bring their PE kits in if they have multisports or a PE lesson in the afternoon.** Tempest will be taking individual photos for all children. Siblings will be able to have their photo taken together. If you have children outside of Marlborough School you are welcome to come and have a group photo from 8am until 8.45am.

## Breast Cancer Awareness Fund-Raising Event; Friday 15<sup>th</sup> October – 1.45pm

Class 6 are holding a fundraising event for Breast Cancer Awareness Month. **Children can wear anything pink to school on Friday.** This will be held in the lower car park where there will be cakes, second-hand books, games and clothes for sale. If you have any donations towards the sale please bring them in during the week beginning the 11<sup>th</sup> October. We also need any willing bakers to donate cakes, buns, biscuits and treats! Many thanks.

## Mini Marathon – Friday 22<sup>nd</sup> October

We are inviting children to complete their own Virgin Mini-Marathon after school on Friday 22<sup>nd</sup> October at Falmouth Rugby Club. As this will be near Halloween, children can run in fancy dress if they would like (nothing too scary as there will be little ones there!) 2.6 miles is the same as 11 laps of the Rugby Club but children can walk, run or jog as many laps as they are able. Please can families bring their own drinks and snacks.
