

Charity Group – Winter Project

MARLBOROUGH SCHOOL CHARITY GROUP are delighted to inform you that Marlborough children are taking part in Marie Curie Cancer Care's **Mini Pots of Care fundraising** activity, supported by Homebase and City Link.

Mini Pots of Care is a creative and educational fundraising activity for schools and groups.

Every child in the school received their own pot and daffodil bulb to **plant** on Wednesday 11th November. The Charity Group helped each Packet Ship to successfully plant their bulbs. Children learn how to care for their growing shoots until they blossom into beautiful daffodils in spring. They will celebrate their blooms on **Mini Pots of Care Day** in February, 2012, by **painting** their pot wrappers, **learning** about the work of Marie Curie Nurses and **fundraising**.

As part of the fundraising activity each child will be asked to take home a donation envelope, in February, to help raise money for Marie Curie Cancer Care. Please ensure all details are completed and form is returned so that Marie Curie Cancer Care can claim gift aid on your generous donations.

The money raised by Marlborough children will help Marie Curie Nurses care for people with terminal cancer and other illnesses in their homes and provide emotional support for their families. The care they provide is totally free. Every £1 donated will make a difference:

£5 would pay for bereavement booklets to support 20 children.

£20 will pay for one hour of Marie Curie nursing care in a patient's home.

Thank you very much for your wonderful support. We hope the children have lots of fun taking part. If you would like to know more about the activity, please visit www.mariecurie.org.uk/minipotsofcare. If you are interested in knowing more about how you can support Marie Curie Cancer Care please call our Supporter Services Team free on 0800 716 146.

Thank you to
