

## Meet Marlborough School's Cybermentors

**Caspar, Eifie, Alex, Matthew, Oliver, Hannah and Elliot** are ready to answer the questions of any child (or adult) regarding concerns about keeping safe when using technology.

They wear badges and can be easily identified.

In our termly e-Safety assemblies, they share useful information with the rest of the school, helping to keep children alert and the support staff's e-Safety training up to date.
