

# **Marlborough School Improvement Plan (SIP)**

## **September 2019 – January 2022**

### **A Rising Tide Lifts All Ships**

#### ***Vision:***

To bring the world to our children and prepare them to go into the world as citizens who value life and learning.

#### ***Aims:***

We value ourselves as unique human beings capable of spiritual, moral, intellectual and physical growth and development.

We value others for themselves, not only for what they have or what they can do for us. We value relationships as fundamental to the development and fulfilment of ourselves and others, and to the good of the community.

We value truth, freedom and justice. We value love and mutual support, a society in which people care for others and work for the common good.

We value the environment as the basis of life and a source of wonder and inspiration.
