2017-2018

Number 36

Dear Parents

Governors

We spoke at the recent meeting with parents, and there have been requests in newsletters for anyone with an interest in supporting the school as a governor to put names forward. The governors have been very pleased with the response and at their last meeting looked at the available vacancies and the parent, local authority, staff and co-opted of governor positions required. We now have 3 spaces, 2 of which are for parent governors, so noting the interest already shown, and to ensure as open and as democratic process as possible, we would like to invite formal nominations from parents. These will come home today and will need to be returned as explained in the accompanying letter to the school office by 12:00 next Monday, 9th July 2018.

The bright new road markings and signage outside the school now help to make it that bit clearer that the entrance needs to be kept free at all times. It has certainly felt safer, since the parked cars have moved from opposite the school gate. Whilst we ask that parents do not drive into Ferndale Road, we do appreciate that occasionally family relatives and visitors bring children in and may be a little nervous to drop them away from the school. It is best of course if you could ask any such occasional drivers (relatives or child-minders, etc) to park safely and considerately in neighbouring roads and to walk the last stretch: where they cannot do this, please could I ask you to pass on the instruction that **no child should ever be dropped off inside this marked safety zone.** Thank you.
