

An Lester Trumach - The Packet Ship

2022-2023

Number 25

Wednesday 22nd

March 2023

Dear Parents and Carers,

Our class outcomes are taking place over the next two weeks and these are always amazing opportunities to see what goes on in school, especially when your child comes home and finds it hard to remember their day! The children really thrive when sharing their learning with you and it gives them great motivation to produce quality work. Not only do the outcomes give the children a wonderful chance to show off, but you are also contributing to their sense of being an artist, an historian, a mathematician etc and an all-round magnificent learner. Your words of positivity and support make an immeasurable difference to your child. Thank you for supporting your child and, in turn, supporting us. Also massive thanks to the teaching team for giving the children such an exciting learning journey! P.S. Don't feel bad if you can't make the outcomes!

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."

Learning Out and About and in School

Class 6 MP Visit – Cherilyn Mackrory, MP for Truro and Falmouth, will be visiting Class 6 on Friday 24th March, ahead of their visit to the Houses of Parliament in May. She has also been in communication with the class about the need for a swimming pool in Falmouth.

Class 5 to NMMC - Class 5 are heading to the National Maritime Museum Falmouth on Wednesday 29th March to take part in a workshop, learning about Vikings. Lou Gall has sent out information.

History Day – We are having a whole school celebration of all things historical on **Thursday 30th March**. Children will be working in their Packet Ship groups for some of the day. In order to bring history to life, we are asking children to come to school dressed from one of these eras: Victorians, Vikings, Ancient Greece, Tudor, Egyptians, Romans or from World War II or anything historical! There will be a concert, hopefully on the field, with our history themed songs at 2.30pm. You are all invited to join us!

Outcome Dates – All classes have end of term outcomes coming up; please see **Dates for the Diary**.

Staffing Update

At the end of this term, Dawn Blackburn and Stuart Pryer will be leaving Marlborough School. Dawn has supported learning and our community for 21 years and has given her many skills and talents to developing our School Parliament and the wider curriculum. Stuart has supported the development of computing throughout the school and has got us out of many sticky IT situations! We would all like to thank them for the care and consideration they have given to our Marlborough community over the years.
