# An Lester Trumach - The Packet Ship

Dear Parents

Saturday's St Piran's Parade was a very enjoyable – if somewhat cold – event. Thank you to everyone for all your support: the children did us all proud with their dancing and singing. There were the usual feast day hitches and some unannounced changes in the programme, but fantastic behaviour and a sea of Marlborough smiles helped to make the whole occasion a memorable experience. We've been asked for feedback and hope to be able to look forward to taking part again next year.

## Thursday Meetings

Thank you for your responses to our letter regarding the Cornerstone MAT conversion. We will be running a 'creche' film show during the 15:30 meeting which will be held in the school hall. The second (17:30) meeting will be held in the y2 classroom. If you haven't done so already, please let the office staff know if and which meeting you would like to attend. This will be an opportunity to hear more about the proposals and also some of our hopes for the whole school community over the coming year...

... We would like to gather parents' ideas on the future direction of Big Digs. There's been a bit of a break in these as regards a whole school event, partly down to time pressures but mostly to the aftermath of prolonged heavy rain. We think we've got some good ideas on grounds improvements to give the children more regular access to the outside environment, but we're sure you've got better ideas and we know the children will have even more. In the months ahead we want to make sure that all of our thoughts come together to have a dramatic affect on the grounds. So we do really need you, for ideas, practical expertise and/or muscle and organisational help etc to make a 2016 Sponsored Cycle Ride help to make everything happen.

## X-Country

Good luck to Hester, Mia, Leon, Faith, Zac and Gabe who are representing Falmouth schools in the Cornwall Games Cross-Country at Pool Academy this afternoon.
