

An Lester Trumach - The Packet Ship

2022-2023

Number 34

Wednesday 14th June
2023

Dear Parents and Carers,

Many thanks for coming along and supporting the children for our **Sports Day** events last week. It was fantastic to see such a positive celebration of sport. Our children showed amazing resilience: carrying on and completing races even if shoes had come off, skipping ropes were tangled or bees flew by! The real stars of the show were Class 6. Not only did they complete their races with gusto and help Matt Swiggs with the organisation but they also supported the younger competitors: noticing when they were nervous, sad or unsure. We also held our **Beginning School** meeting last week, with our new intake of parents for Reception 2023. I shared with them just how proud we are of our Class 6 citizens coming towards the end of their seven-year journey. Due to our community, curriculum, metacognition strategies and positive role models they are given the chance to succeed, learn and love their primary school journey here at Marlborough. They are proof that it 'takes a whole village to raise a child!'

School Day Timings for September 2023

The government have decided that they want all children to be in school for a minimum of 32.5 hours each week. In order to make the timings work, we are having to change our school day from September. Children can enter school from 8.30am. All classes will start and finish at the same time.

Monday to Thursday - 8.40am until 3.25pm

Friday - 8.40am until 2.10pm

Summer Term Cake Bakes

Families are being asked to organise cake sales for their child's class, either by baking or buying treats to sell at the end of the day on Fridays for the whole school community. We also need adults to help run the cake stall. Monies raised will go directly to developing the resources for the class involved. Many thanks! Below are the dates for classes families to organise.

Friday 16th June – Class 1 for the RNLI

Friday 23rd June – Class 6

Summer Lunchtime Music Sessions

We have had our first lunchtime gig! Jaemus came in and played the piano while the children were eating and playing and they absolutely loved it. If you are a musician who could come and play for the children in the playground during lunch time, we would love to book you in.
