Apple Day

Thank you to everyone who came along to support our Apple Day. As ever it was very well attended but also the team of helpers who dedicated their energy to the event did so with customary zeal and ensured an enjoyable afternoon for all and one that raised £137.53! Thanks go especially to Kath Statham for keeping this fantastic school tradition going.

Oyster Festival

Hot on the heels of our own school event comes Falmouth's annual festival. We have been invited to join in the opening ceremony and I shall be taking a group of y5 and y6 children down to Events Square on Thursday morning. Then, on Friday afternoon, we'll be joining the other town schools for the Grand Oyster Parade.

We'll leave the school by 14:15 to ensure that our dragon assemblies at the Moor ready for a 15:00 departure. Help with accompanying children to the town would be greatly appreciated. The procession will then make its way to Events Square for parents to collect their children from 16:00 onwards. Please let us know if your child will be taking part and if you will be able to walk with us to the Moor. Thank you.

Picking up arrangements – a Reminder Please...

Children are not to use the school equipment including the mud garden trail in the top playground at pick up time. Also, please do not bring dogs into the school grounds at any time

The team would have welcomed the rest week enjoyed by the netball side rather than facing two of the strongest sides in the competition on the same evening. They were well beaten, although the score does flatter both oppositions a little. Marlborough's attitude remained positive and they learned from mistakes, so are looking forward to their rest week this Wednesday before returning to the fray on 19th!

Annual flu vaccination – years 1, 2 and 3 Tuesday 8th November

Children in years 1 to 3 will have brought home a letter and booklet from the School Immunisation Service about their annual flu vaccinations. Please complete the consent form and return to the school within 2 weeks to ensure your child receives their vaccination. If you decide you do not want to vaccinate your child against flu, please return the form giving the reason, which will help the SIS plan and improve the service.

Willow Works!

Are there any green fingered family members who are experienced in working with growing willow who would be kind enough to come into school to work on our two small willow dens? They are looking very sorry for themselves and need a bit of T.L.C. Any help would be gratefully appreciated. Thank you.
