

An Lester Trumach - The Packet Ship

2023-2024

Number 17

Wednesday 24th

January 2024

Dear Parents and Carers,

This week has been full of adventures, Class 6 took part in a climbing challenge at Granite Planet and then set off on a 3½ mile expedition back to school. They were thinking about the similarities of their morning and an attempt at getting to Everest base camp. Similarities included careful planning, risk assessments, resilience, a support team, the right equipment and plenty of snack breaks! The resilience that all of our children are building through the challenges they encounter means that they realise that learning is a thing of joy!

Learning Out and About and in School
