Kitchen jumble sale!

Short of a plate or two? Fancy some interesting pots and pans planters for the garden?

We're having a clear out of all the bits we've inherited but we don't use here in the kitchen on Friday the 8th of July. We've got baking trays, cups, china, knives, ice cream scoops – the lot! Weather permitting it'll be outside the kitchen in the lower car park, if it's raining we'll do it in the hall. Any money raised will go back into the kitchen equipment fund, to buy us some things we do need! Thanks – see you there!
