

# An Lester Trumach - The Packet Ship

2016-2017

Number 33

26 June 2017

*Dear Parents*

*There has been something of a laid back feeling at the school gate during recent summer mornings and its been nice to see so many smiling faces, among children and parents alike. The walk into school is a special time for family chat and I'm glad as many people are taking the healthy option as possible. The number of dogs making the morning journey has increased this year too – thank you to everyone for the consideration you have shown in 'parking' up the dogs away from the immediate entrance. Residents have been very understanding and some have confirmed that they are quite happy for dogs to be tied for short periods to some of the railings close by. However, they have asked that every dog owner take responsibility for their pet, not leaving those that bark for too long and making sure that all 'poo-bags' are taken home (I had to clear a couple on Friday and the home-owner explained he's removed some bags actually tied to the railings or tucked into his boundary hedge!).*

**Site Safety** – please ensure that when dropping children off at school, collecting them or leaving the premises, children do not swing on the school gates or safety bars and do not climb or walk on the walls. There has been some damage, and there is no safe landing!

Thank you.

## Feed is still available...

If you haven't claimed your £8 copy you can still purchase it from the school office and buy any further copies at £10. You can also direct friends and family to the *Feed Page* on the school website at:

[http://marlborough.eschools.co.uk/website/feed\\_cook\\_book\\_-\\_buy\\_it\\_here/283619](http://marlborough.eschools.co.uk/website/feed_cook_book_-_buy_it_here/283619)).

It's been great to hear from those families who are already putting their copy to good use – thank you for sending in photographs of the recipes you've tried (although I might have preferred a sample!?). We do have a number of copies immediately available – although we do expect to sell out some time soon, so are hopeful of going for a second print run, especially as the Oyster Festival would like to promote it and sell it in the main tent in October. All proceeds will be returned to the school's kitchen budget to continue developing our healthy eating project. Parents will be relieved to know that the threat to remove the universal provision of free school meals for infants was not included in the Queen's speech. We therefore hope and plan to be able to continue developing our current provision.
