

An Lester Trumach - The Packet Ship

2018-2019

Number 21

04 March 2019

Dear Parents/Carers,

Well what an exciting week we have ahead of us....

Big Dig

Please remember the Big Dig is on THURSDAY this week. The children will be outside all day so please wear suitable clothing – non-school uniform and wet weather gear inc. hats and coats (waterproof trousers if you have them).

Could we please include a final shout out for:

- Old ends of colourful yarn
- 40mm wood screws
- More BOOKS - especially for the older children

... Please can EVERYONE involved bring in a non-breakable camping cup for hot chocolate if possible.

Finally, to say a HUGE thank you to everyone involved in planning and implementing this day – it should be a fantastic opportunity for everyone to work together, improve our school grounds and have fun!

Mariner's Auction – THIS FRIDAY

Thanks to everyone who's booked their dinner tickets for the Auction this Friday! You should have received an email with all final details. There are also still several ways to get involved, even if you can't make the night:

- Very excitingly, the online auction is live on facebook! Get bidding! Highest bids at 12 midday on Friday will be carried over to the evening event. Check it out via: bit.ly/2EpS6KB
- Raffle (£1 each/£5 strip) and entry-only tickets (£5) will also be on sale this week in the hall (on as many mornings as we can manage).

Year 6 Residential Meeting

Year 6 parents, please come along on Wednesday @ 3.30pm for information regarding the Year 6 residential visit to Osmington Bay. We look forward to seeing you there.

Tempest Class and Group Photos

We have noticed that we have a mistake on our diary dates – Tempest photography are coming in for class and group photos on **Thursday 4th April** – not Tues 9th which a few parents have noticed .. the individual and sibling photos are not until November (please be sure to regularly view our public calendar on eSchools for upcoming diary dates.)
