

## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

It is hard to believe that on Monday we will be in the final month of the school year. There is still so much going on in classes and children are still busy learning key skills to prepare them for next year. We have our whole school open afternoon on the 10<sup>th</sup> of July from 2.30pm where you can come along and look at the learning that has taken place this term, and also have a look at your child's next classroom. We are also lucky enough to be working with Hall for Cornwall practitioners throughout July to prepare for our Summer Production on the 18<sup>th</sup>. All children are involved and we are adapting a brilliant book by Drew Daywalt, called **The Day the Crayons Quit**. This is a wonderful way to celebrate the arts at Marlborough School.

### Attendance

We are continuing to focus on attendance and punctuality across the school. Being in school, on time, has such a positive effect on your child's wellbeing, friendships and progress in all areas of the curriculum. Our school days start with board meetings, assemblies, reading support, pre-teaching sessions and information about the day so being punctual is necessary to enable your child to have a good understanding of the day ahead and make a great start to their learning.
