

An Lester Trumach - The Packet Ship

2024-2025

Number 38

Wednesday 16th July
2025

Dear Parents and Carers,

You are all invited to our **Summer Production on Thursday evening (TOMORROW!) at 5.30pm on the school field...** which now has a title... **Through The Decades!** All children are involved in the show, telling the story of Marlborough School over the past 60 years. Please bring blankets or chairs to sit on and your own refreshments. Mariners will be serving drinks and light refreshments. We have been able to put on our summer production through our **Hall for Cornwall Partnership Status**; where practitioners and tech teams have guided and supported our children to shine. As always, we will have a bucket (and card reader!) on the door for any donations towards supporting the arts at Marlborough. Many thanks to Helen, Sally and Becca from the Hall for Cornwall. We hope you have a great evening!

Learning Out and About and in School

Summer Production – The whole school will be involved in our summer production.

This will be performed on the school field **TOMORROW: Thursday 17th July at 5.30pm**. Please can children arrive in costume from 5.15pm.

Whole School Open Morning – You are invited into classrooms to look at your child's work from across the year on **Friday 18th July from 8.30am until 9.30am**. During this time, you will also be able to have a look at your child's new classroom and say hello to your child's class teacher.

Class 6 Leaver's Assembly – We will be saying farewell to our wonderful Class 6 pupils at the end of this term. Families are invited to come along for their Leaver's Assembly on **Tuesday 22nd July at 9.15am** to celebrate their time at Marlborough.

Beach Session – On Tuesday 22nd July in the morning, Classes 1, 2, 3, 5 and 6 will be heading to Swanpool Beach for an hour after the Leavers' Assembly. Pupils can come to school in their beach clothes with an optional bucket and spade. They will not be going in the sea.

Class 4 Tennis Session – Apologies for the last-minute change to tennis. The last session will now be on Tuesday 22nd July.

Last Day of Term – Wednesday 23rd July is our last day of term and school will end at 2.10pm.

Traditionally, the community head to Swanpool beach for an evening of fun. Please come along!

Summer Term Reports

In the Autumn and Spring terms we meet with parents to discuss progress and ways forward. In the summer term we send home school reports containing a summary of your child's progress and end of year assessment data, representing their attitude to learning and attainment. These will be sent home tomorrow with your child. The envelope also contains a reply slip for you to give feedback on your child's year. If you would like a conversation with your child's class teacher, please let the office know.

Children's Work Going Home

Please can you bring a large bag (preferably a bag-for-life) on Friday so children can bring home their books and creations. We may ask if we can keep your child's books for another year as evidence of learning. Many thanks.

School Residentials

Many, many thanks to the Marlborough Crew who have supported our residentials this term; Class 4's BF Adventure Residential with Mr Gimenez, Mrs Walsh and Miss Collins; Class 5's Sleepover in School with Mrs Gall, Mrs Hackell, Miss Norton and Mrs Pentecost and Class 6's London Residential with Mr Swiggs, Miss Gilchrist, Mrs Pentecost, Miss Burley and Miss Williams. Thanks also to the team back at the ranch for organising, and being on call. Without the meticulous planning, sleepless nights and voluntary overtime that you put into your roles, these adventures would not be able to happen.

So, **THANK YOU** from the whole community!

**Fellow Mariners,
THANK YOU!!**

We would like to extend our sincerest thanks to you all. This year because we needed to raise an extra £15,000 to add to the playground CIL funding bid, we had to set a very ambitious target of £20,000. This target felt quite out of reach, but through determination, incredible effort and amazing support, we are delighted to say that following our last event **we have achieved it!!**

With heartfelt gratitude we want to express how much it means to have our awesome community. Every bit helps. Whether you donated cakes, bought cakes, donated toys, bought toys, sponsored someone, helped organise an event, bought a t-towel or sat and painted 4,000 faces, it has all contributed to improvements that will benefit not only the children of the school but the wider community for years to come. These funds will go directly towards the redevelopment of Marlborough's playground, outdoor space, and school field. Plus, we still have enough to give the school the usual financial support for curriculum enhancement.

Thank you for standing together and helping to make a lasting difference.

With gratitude,
Fellow Mariners
