

## An Lester Trumach - The Packet Ship

2021-2022

Number 5

6<sup>th</sup> October  
2021

Dear Parents and Carers,

As part of our own ongoing monitoring process we carried out 'book looks' this week. Our *Exploring Writing* books are looking amazing! Children learn a genre of writing over a few weeks, allowing them to become confident with the style of writing and then produce a final outcome that they can be proud of. The content of the writing and presentation was so uplifting to see we have included photos of the progression throughout the school at the end of the newsletter. We are inviting parents in for **Parent Consultation Meetings** during the week beginning the 18<sup>th</sup> of October. Slots will be able to be booked by the end of the week on eschools. If preferable, a phone conversation can be booked. This will be an invaluable session to look at how well your child has settled into their new class, to celebrate achievements so far and identify next steps.

### Learning Out and About and In School

**Singing in School** – Jade is currently having a break from singing with us as she has just had a beautiful baby girl! Naomi Schulke from Cornwall Music School Trust will be working with us developing singing techniques. Naomi is also offering individual singing lessons through CMST. Please ask at the office if you would like tuition for your child.

**Class 5 to All Saints' Church** – As part of their RE focus on Christianity and Christian views of God, Class 5 will be heading to All Saints' Church to meet with Jane Wheeler for the afternoon on Tuesday 12<sup>th</sup> October.

### Becoming a Reader Meeting; Wednesday 13<sup>th</sup> October at 5pm

We are inviting parents and carers into school to discuss how we teach children to read, share resources and strategies to use at home to help your child become a fluent and confident reader. We have made changes to the teaching of phonics this year and we are now using **Little Wandle Letters and Sounds** as our synthetic phonics scheme across Key Stage 1. More information can be found on our website: [https://marlborough.eschools.co.uk/website/early\\_reading\\_and\\_phonics/500973](https://marlborough.eschools.co.uk/website/early_reading_and_phonics/500973) This meeting is mainly aimed towards families of pupils in Reception, Class 1 and Class 2 but all parents and carers are invited.

### Tempest Individual Photographs; Thursday 14<sup>th</sup> October

Tempest will be taking individual photos for all children. Siblings will be able to have their photo taken together. If you have children outside of Marlborough School you are welcome to come and have a group photo from 8am until 8.45am.

### Starting School 2022

We are holding tours of Marlborough School for families with children starting school in September. These will be held at 3pm on Friday 1st October, Friday 8th October, Friday 15th October, Friday 22nd October. We also have an open morning on Saturday 13th November from 10.30am until 12. Please can you share with families and let them know to contact the school office on 01326 314636 to book a place on the tour.

## Class 6 Residential Visits to London

Class 6 have the excitement of heading to London from the 13<sup>th</sup> to the 16<sup>th</sup> of June. They will have an action-packed itinerary including seeing a West End show, visiting the Houses of Parliament, sight-seeing on the London Eye, visiting museums and, hopefully, Wembley Stadium. A meeting for parents and children will be held on **November 4<sup>th</sup> at 3.45pm** to discuss the itinerary and answer any questions.

## Breast Cancer Awareness Fund-Raising Event; Friday 15<sup>th</sup> October – 2pm

Class 6 are holding a fundraising event for Breast Cancer Awareness Month. **Children can wear anything pink to school that day.** This will be held in the lower car park where there will be cakes, second-hand books, games and clothes for sale. If you have any donations towards the sale please bring them in during the week beginning the 11<sup>th</sup> October. We also need any willing bakers to donate cakes, buns, biscuits and treats! Many thanks.

## Mr Swigg's (Falmouth based!) London Marathon

Matt Swiggs ran 26.2 miles as part of the 2021 Virgin London Marathon on Sunday morning. We postponed families joining him due to the weather. The plan is now to invite children to complete their own Virgin Mini-Marathon after school on Friday 22<sup>nd</sup> October at Falmouth Rugby Club. As this will be near Halloween, children can run in fancy dress if they would like (nothing too scary as there will be little ones there!) 2.6 miles is the same as 11 laps of the Rugby Club but children can walk, run or jog as many laps as they are able. Please can families bring their own drinks and snacks.

## Cinderella at the Hall for Cornwall

As we have not been able to take the children to a theatre for a year and a half we have booked for the whole school to see Cinderella at the Hall for Cornwall on Tuesday 7<sup>th</sup> of December. The cost per pupil is £17.50 and we are asking everyone who is able to contribute this. However, the Mariners are keen to make sure everyone is able to go who wants to and thus have voted to support families who may struggle with this cost by covering part of it. This money will come out of the Mariners Curriculum Enhancement Pot (and thus everyone who pays the full price will be helping this money go as far as possible in covering future activities - thank you!) Parentpay will therefore have a £10 subsidised option. If you have already paid the full price but need to take up the reduced price please contact the office.

## School Places

It was in the news that Marlborough School is the most over-subscribed school in Cornwall! We currently have a vacant place in Class 3, Class 4 and Class 6. Please contact the admissions team at Cornwall Council for more information.

## Artemis

By Eve-May

Artemis is the goddess of the moon and hunting. She had a pack of seven hunting dogs. She often carried a lyre like her twin, Apollo.

Her father Zeus adored her wild spirit. She was also the protector of animals and children.

**Fun Fact!**  
Artemis loved cats, preferring to roam the wilderness of forest and mountainside.

Artemis, goddess of the moon and hunting.

Artemis actually had 3 names, where for when she was cheerful and the moon was bright, Hecate for when she was in a bad mood and the moon was dark, then Artemis for the rest of the time.

left the stars for a fun fact!

She had nymphs for hunting companions.

she was better at fighting than Ares god of WAR!

Artemis could shoot things!

she never or got with you

married in love anybody you want

one of her hunting dogs

Class 5 have researched Greek gods and created their own fact files.

## Hephaestus

By Arlo

### Who is Hephaestus?

Hephaestus was the god of fire and blacksmiths, he was the son of Hera, wife of mighty Zeus. It is slightly disabled because when he was born, Hera was disgusted in his short legs and back to front feet, so she threw him off Mount Olympus! Hephaestus broke his good in the fall so he has walked with a limp ever since.

### Where does he live?

Hephaestus lives in an active volcano on a small rocky island. Inside the volcano is a gorge where Hephaestus creates the best metal anyone has ever known. The one-eyed giants, Cyclopes help him out in his daily life and his other large godly home on Mount Olympus.

**Did you know?**  
Hephaestus made many useful things for the Greek gods and heroes such as Zeus lightning bolt and armor for Hercules and Odysseus.

### Interesting Facts

Hephaestus's symbol was a massive hammer and his animals are a donkey, a guard dog and a crane. He was good in a fight, defeating many monsters and he was smart as well. Hephaestus was married to Aphrodite goddess of love but then she went off and married Ares. He also invented the cannonball.

**Quiz!**  
Use the text to answer these questions.  
What is Hephaestus the god of?  
How did he break his leg?  
Who are his helpers?

Class 6's visit to Britain in the Blitz exhibition at Flambards and research has led them to write their own information posters.

# Blitz

## LONDON

Start of Blitz: 7 September 1940  
End of Blitz: 11 May 1941

London was bombed 57 nights in a row! There would be a sign to tell people to get in their shelters. Either a Anderson shelter, Morrison shelter or the underground. They would say that till the 1942 morning, until then was another year until 1945.

### RATIONS

Rations were a ration card. You had to use it to get a share of food. This was also a ration card.

They would grow veg.

Black out:

Every night after a certain time lights should be out. No light from windows and black curtains over the doors and windows. You were not to use any light to go to the bathroom. You were not to use any light to go to the toilet.

## Plymouth

Plymouth was heavily bombed because of the docks there. The Germans wanted to land their boats and invade all using the docks.

The first bomb fell on the city on Saturday 6th July 1940 at 5:11 killing three people. In early 1941, five raids reduced much of the city rubble. Attacks continued as late as May 1941 with two major air raids in that month. During the 59 bombing attacks, 172 civilians were killed and 1,448 injured.

3,754 houses were destroyed in the Blitz. Also 26 Schools, 41 churches and 8 cinema. Plus lots of Plymouth's main shopping centres.

There were 519 squeezed into 400 beds. 100 died during the Blitz.

Many people lost their lives.

## PLYMOUTH WW2

Bombs were dropped almost every night! Also the Germans had lots of different bombs but not just one kind.

Many houses were set on fire.
