

An Lester Trumach - The Packet Ship

12th January 2022

Dear Parents and Carers,

We have had a fantastic first week back. Topic launches have taken place with children investigating and exploring their new learning focus. Class teachers have created opportunities to fire imaginations. Secret messages left in ice blocks, post bags containing objects, visits and mystery items all get children working together to gain knowledge. The children at Marlborough are always so excited about learning and thrive on quests, creative thinking and questioning. It is wonderful to see the same keenness, awe and wonder from Reception to Class 6!
